PREAMBLE

We, the churches of the Liberty Baptist Association, unite ourselves according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the Baptist State Convention of North Carolina and the Southern Baptist Convention, according to the following Articles:

ARTICLE I - NAME

The name of this body shall be the Liberty Baptist Association.

ARTICLE II - MEMBERSHIP

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also with draw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III - MEETINGS

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

ARTICLE IV - COMPOSITION OF MEETINGS

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

nated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Woman's Missionary Union as the committee's nominees for election as the Association's Officers also.

BY-LAW IX - AMENDMENTS

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.
2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.
3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordnation before the call of the ordaining council shall be approved.

POLICIES FOR THE ESTABLISHMENT OF MISSIONS

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well defined program of Southern Baptist Work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

ORGANIZATION AND ADMISSION OF NEW CHURCHES

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.
3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

EXECUTIVE COMMITTEE REPORT

During the associational year of 1975-76 the Executive Committee of the Liberty Baptist Association met quarterly in keeping with the provisions of the Constitution. Reports from organizational leaders were presented, and on several occasions other matters of business were acted upon. The meetings were well attended and proved to be very informative. The following summary and outline of business matters reflect some of the work which was done by the committee.

November 17, 1975, was the date of the first meeting in the new year. Following a period of devotion led by the Rev. Ray Yarborough, Sr., organizational reports were presented. Among these, two significant facts were noted. The treasurer reported that receipts from the churches were increasing and the financial condition of the Association was encouraging. The W. M. U. Director indicated that four churches had invited her to help organize new work or reorganize local mission organizations. The reports further indicated that High Attendance Day in Sunday School on November 2 was marked by 7,260 people being present. This was 1,058 above the average attendance of the past year.

Action was taken on two applications for financial aid from the Baptist State Convention. Approval was given a request from the Faith Baptist Church that their pastor be provided a twenty-five dollar supplement each month for automobile expense. The second request concerned application from the Association for $672.00 as supplement to the salary for the Director of Associational Missions. It was explained that the State Convention favors this approach in maintaining ties of cooperative work, and the Director is called upon from time to time to represent the work in World Mission Schools and other such projects. The request was approved.

The Director of Associational Missions called attention to a standing resolution which had been printed in the minutes over a period of years regarding financing of the Associational

program. One portion of it specified that churches would be solicited for funds and a budget prepared on the basis of their projected support. Mr. Rollins explained that the constitution contains sufficient guidelines for structuring the Associational work as relates to financial support, and since this resolution no longer seems applicable, suggested that it be deleted from the next printing of the minutes. The decision was made to comply with this request.

The second meeting was held on the evening of January 12, 1976, with Mr. J. N. Penninger, Jr., leading a devotional period. Reports were given by the Clerk, Treasurer, and organizational leaders. The Director of Evangelism presented a report dealing with plans for the Davidson County Spring Crusade, scheduled for May 2-9, 1976, with the team of Dr. E. J. Daniels from Orlando, Florida.

The Rev. Carl Hemphill, chairman of the Nominating Committee, presented some recommendations for persons to be considered by the Executive Committee to select a representative for the General Board. The names of two ministers and two laymen were approved for the recommendation. Plans were shared for the Association to serve as host for a meeting on Christian Social Ministries at Lexington First Church on March 1. Copies of Associational Minutes were provided for the churches and the meeting was concluded.

The third meeting was held on April 26, 1976, with a period of worship conducted by the Rev. Jack Alexander. The treasurer's report indicated a balance of $7,241.28 as of that date. Twenty-seven churches had contributed to the support of the Davidson County Crusade. Mr. J. N. Penninger, the Missions Committee chairman, reported that the committee suggested communication be initiated with delinquent churches in relation to their membership in the Association. It was decided the Missions Committee should be authorized to proceed with this responsibility. The Rev. Melvin Greene presented information on the Davidson County Crusade, and he asked the Committee Chairman to report on plans from their various groups.

The fourth and final meeting for the year was on September 20, 1976. The Rev. Ray Yarbrough, Jr., led the devotion period. The treasurer's report indicated that a contribution had been received from every church in the Association. The chairman of the Finance Committee reported that $5,000.00 had been transferred from the treasurer's account to a Certificate of Deposit. It was the thinking of the Committee that this would be wise stewardship in light of future plans for Associational work. Organizational reports included a reflection over the past year and a consideration of plans for the future. Dr. Joe Hester, who serves as a member of the State Convention's General Board, presented general information and led a period of discussion on several aspects of the work. Following various reports by the Director of Missions, the meeting was adjourned.

Respectfully submitted,
Morris S. Hollifield
Associational Clerk

MISSIONS COMMITTEE REPORT

In our meetings this year we have heard reports from the director of missions and discussed other business in the interest of the churches of the association. Of major concern to the committee has been that several of our churches have been delinquent in one or more of the three requirements in our constitutional provisions for membership as a cooperating church. (Quoting from Article II on Page 14 of the 1975 minutes.) "A cooperating church is one which sends a report to the annual session, sends messengers to the annual session and contributes to the financial program of the association."

In our January meeting a motion was made, second and after discussion, unanimously passed asking the chairman to contact these churches by letter reminding them of their obligations as a cooperating church. In the April meeting of the Executive Committee the report from the missions committee was made. A motion was made, second and unanimously passed authorizing the chairman of the missions committee to send letters to those churches who were delinquent.

Letters were sent to the Pastor, church clerk, Treasurer and Chairman of Deacons in each of those churches. At our last meeting held on September 20, 1976, it was reported that all 43

churches had made a financial contribution to the associational program during the year. It is our hopes and prayers that every church has sent their annual report to our clerk and that all churches will have messengers in some of the sessions of the annual meeting.

Respectfully submitted,
John N. Penninger, Jr., Chairman

REPORT OF DIRECTOR OF MISSIONS

Isaiah 54:2 says: "Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations; spare not, lengthen thy cords, and strengthen thy stakes." The beginning of all missions is in the local church, and the base for cooperation of churches in their missionary endeavor is the association. This association is dependent on the churches that created it and is supported by your prayers, attendance, service, and financial contributions! The 1975-76 associational year has been a good one, and every church has made some contribution to our association programs. Our Finance Committee has placed $5,000 in a Certificate of Deposit for our future needs.

Your Director of Missions has been in forty-two of our forty-three churches for at least one service during this calendar year. I preached in 5 worship services and conducted 3 prayer services at Welcome, First while they were without a pastor, and preached in 5 worship services at Lick Creek during the serious illness of their pastor. In addition to regular preaching services, I participated in a marriage renewal service at North Lexington; dedication of a new sanctuary at Center Hill; ordination services at Lexington, First and Thomasville, First; Homecoming Sunday at Oakhurst; World Missions Fair and Easter Sunrise Service at Rich Fork; Old

Fashioned Day at Coggins Memorial; Senior Citizens Luncheon at Liberty; and Brotherhood meetings at Churchland and Welcome, First. I taught the book of Hosea on 5 Sunday nights at Abbotts Creek and 5 nights at Park Place in Vacation Bible School. I taught the Home Mission Study at Lexington, First; Carolina Memorial; Calvary; High Rock; Holloways; Southside; North Lexington; Hasty; Welcome, First; and Park Place.

Outside the association I attended the Tri-state Urban Church Conference in Raleigh, the State Convention and State Evangelism Conference in Asheville, Banquet at Meredith College for Dr. Crouch, Southern Baptist Convention at Norfolk, State Vacation Bible School Clinic and Directors of Missions Conference at Wingate, and the Inter-faith Conference at Caraway. I participated in World Missions Conferences in Caldwell and Three Forks Associations, revival services in Nelson, Virginia, and graduation exercises at Campbell College. I also preached at West Concord Baptist Church, Concord, North Carolina, and First Baptist Church, Spencer, North Carolina. I will be in the Flat River Association for a World Missions Conference October 9-14. I served on the Place and Preacher Committee for the 1977 State Convention meeting in Charlotte, was Chairman of the Triad Missions Committee, and am serving on the Board of Directors for the Davidson County Council on Aging.

I would call to your attention the focus of Bold Mission Thrust:

1. Let every person in our land have an opportunity to hear and accept the gospel of Jesus Christ.
2. Let every person in our land have an opportunity to share in the witness and ministry of a New Testament fellowship of believers.

The hope for the 1976-77 year in Liberty Association is the involvement of all of our churches in this vital task.

Respectfully submitted,
Leonard Rollins

WOMAN'S MISSIONARY UNION REPORT

Mrs. W. L. Martin, Jr.
Director

This has been a great year in our Associational W. M. U. Many things have taken place that would have been impossible without much prayer, a great Council and the women of our local churches.

As new organizations have been begun, old ones enlarged and expanded, we have indeed tried to "Share His Love". Each of our five Age-level Directors has been busy planning and carrying out meetings for their organizations.

Five officers attended WMU week at Ridgecrest and all of our Council attended the State WMU Workshop at Camp Mundo Vista in August in order that we might come back and conduct workshops and Manuals studies to help you in your local church.

Baptist Women and Baptist Young Women come together for the Study of their Foreign Mission book on Medical Missions. Dr. Clark, a missionary doctor to Japan, led this study at Greenwood Baptist Church. Over 200 women were present for this study.

The Baptist Women's Day of Prayer was also held on the 1st Monday of November as we met along with women around the world to pray for each other and the needs of our world.

Over 90 women received credit for the study of the W. M. U. Manual. This study was led by Miss Betty Bradshaw.

In January, the Rev. Melvin Greene, Director of Evangelism for our Association, led us in a Direct Evangelism Workshop. This workshop was most helpful to the large group that attended, making us realize even more that truly "We are his witnesses and how easy it is to just tell someone what God has done for me". Hopefully we will in the future see the fruits of this study as we each go back into our communities, jobs, etc., to witness to those who do not know Christ as Lord and Saviour.

Women of our Association have of their means to send Miss Martha Franks, former Missionary to China & Taiwan for over 40 years, to speak at the West Virginia Annual Session of their

WMU Without this help they would have been unable to have a Missionary Speaker and many of their women had never heard a Missionary speak.

Our women were in charge of the telephone census prior to our County-wide Evangelistic Crusade using the Lexington, Thomasville and Denton Telephone directories. Two of our Baptist Women Groups, Churchland and Welcome, served supper two nights to the men who erected the tents.

Several of our Baptist Young Women attended the BYW Convention at Ridgecrest, and an ice-cream supper and picnic were also held during the year. At the picnic Mrs. Jim Phillips taught the new book, "The Woman I Am, Looking Forward Through The Past".

Acteens were honored to have two of their Associational Council to serve as pages at the Annual Session of Woman's Missionary Union in Greensboro this year. These were Miss Ann Cook and Miss Jeanne Hollifield of Jersey. Also during the year several meetings of all the girls were held. In December, at Mills Home, "A Christmas Missions Around the World" meeting was held. Another inspirational meeting, led by Mrs. Leonard Rollins, "Share His Love", was also held at Coggins Memorial. The entire Council, composed of the two leaders and girls, attended the Fall Worship at Camp Mundo Vista in November.

In August we were honored to assist the daughters of our beloved Director of Missions and his wife, Polly, in the celebration of their 25th Wedding Anniversary. Around 300 or more attended the reception honoring the Rollins.

We are living in a "glorious Time" and realize there are so many opportunities around us. New areas of Mission Action work and personal witnessing exist all around us and every day. During this next year we want to make each of our churches aware of their many opportunities by sharing some of these needs with them. With your help and prayers many of these opportunities can become realities.

Truly we do have "Freedom in Christ" and we want to exercise this freedom as we never have before. This theme was used at our Annual session with Miss Carolyn Weatherford, new WMU Exec. Sec. from Birmingham, as our guest speaker.

Let us All be faithful to what God has called us to do and then in turn thank Him for the opportunity to serve and give Him the Glory for it all.

SUNDAY SCHOOL REPORT
1975—1976

Some time ago, on a nationwide T. V. program there were two groups of college students competing against each other. One question offered 5 points for each verse of the 23rd Psalm that was correctly quoted in the proper order. Of the two teams, only two verses were quoted. Along about the same time, the magazine, CHRISTIAN HERALD, printed a list of 25 simple questions on the Bible, questions that have been submitted to 78 students. Only 2 of the 78 answered all the questions correctly. The average grade was 11. Two students could answer only 2 of the 25 questions.

I believe that these figures represent a basic problem in our country today. That is, although there are more Bibles than ever in print, there seem to be large segments of our society that are not reading from the Word of God, neither are they attending Bible Studies or Worship Services. So, they know little or nothing about the work of God in the world.

As Southern Baptists, we are admitting that this problem is around us—but—we are trying to do something about it. Not only do we have some of the best literature, and teachers to teach it, we have a fine program of going out after the people in our communities and involving them in the study of the word of God. This program is called ACTION. The basic philosophy of ACTION is based on a plan for increasing enrollment in our Sunday Schools because:

1. It is a known fact that about 50% of a church's enrollment will attend.
2. This being true, then about 50% of a church's Sunday School enrollment must be absent.
3. The answer then seems to be, INCREASE SUNDAY SCHOOL enrollment and you will increase your average attendance by about 50% of the increase in enrollment.

This plan has been tried all over the Southern Baptist Convention, and the marvelous thing is that, as simple as it seems, it is working. All the necessary materials are available for the church that wishes to put on this program. I heartedly endorse it as a wonderful way to

challenge the unenlisted by using the already enlisted to "go out into highways and hedges and compel them to come in."

Again this year our associational Sunday School organization has tried to help in those areas of our responsibility. In the fields of Vacation Bible School, January Bible Study, and Church-wide outreach as well as the ongoing program of Sunday School work, we are praising the Lord for our successes. If the spreading of the Gospel through the reading and studying of the Bible will make our world a better place to live, then we ought to give it the important place that it deserves, and support it with all our strength.

Respectfully submitted,
John H. Pace, Pastor

EVANGELISM REPORT

Billy Graham has said that the greatest means of evangelism is personal evangelism. Even though he is deeply involved in mass evangelism, he is aware that there is no substitute for personal contact with people about their relationship to the Lord Jesus. Everything that Jesus taught and lived related to individuals and personal contact. The figures of speech used in the Bible to illustrate witnessing demonstrate contact. The fishermen have to go where the fish are; the ambassador represents in the presence of another; the reaper must get into the wheat field in order to reap; and the watchman must sound the warning to the citizens of the city. Therefore there must be personal contact in order to win people to our message of hope.

On the Southern Baptist Convention level we have been challenged as never before. Dr. Baker James Cauthen has said "the next twenty-five years may be the last 25 years in history." The goal for the next 25 years is to preach the gospel to all the people in the world. This must be undergirded by every agency of the Southern Baptist Convention and supported by every cooperating church and Christian in order to achieve this for the Glory of God.

On the State Convention level, the Evangelism Conference was the great highlight of the year. Dr. Stephen Alford from Florida challenged preachers to be what they ought to be in the local churches. Also the Youth Evangelism Night held in Greensboro was well attended and more than 500 decisions were made for Christ.

On the Associational level, it has been a good year to our Lord's Glory. The real thrust was our Davidson County Crusade for Christ in May featuring the E. J. Daniels Evangelistic Team from Orlando, Florida. There were more than three hundred decisions for Christ, not including youth commitments, marital commitments, and tithing commitments. Our churches are still benefiting from such a great effort. But we must never cease to plan, prepare, and produce those programs and endeavors to challenge our people to win men to Christ. On November 22nd, Monday night at 7:30 P. M. in the First Baptist Church of Thomasville, there will be held an Associational-wide Evangelistic Rally featuring John Bos (organ expert) from Orlando, Florida and Evangelist Eddie Martin from Lancaster, Pa. with the emphasis on personal evangelism.

There will be other endeavors throughout '76-77 such as pastor seminars, Youth Spectacular, etc. Let us do all we can, while we can, to win every soul we can to Jesus in this county this coming year.

Respectfully submitted,
Melvin Greene
Evangelism Chairman

HISTORIAN'S REPORT

For the past several years, the historian's report to the annual session of Liberty Baptist Association has included a brief history of the host church or churches. This report becomes a permanent record in our associational minutes so that over a period of time our minutes will contain a brief history of all the churches in the association.

This year we present the history of Reeds Baptist Church written by John H. Pace, pastor, and the history of Smith Grove Baptist Church written by Verona Grubb, church clerk.

Respectfully submitted,
Mrs. Robert Knapp

HISTORY—REEDS BAPTIST CHURCH

The earliest records that we have found concerning religious services in the Reeds Community are found in the "Records Of Moravians In North Carolina" which tells of a moravian missionary by the name of Soelle who was to come into this area to preach, and, on coming to the home of George Reed found a group of people meeting in a nearby schoolhouse or meetinghouse, and a man by the name of Bauman who had been ordained as their preacher. He was also the teacher in the school. This was in the year 1771.

Records would indicate that from that time to the present there have been religious services in the general vicinity of where the present Reeds Baptist Church is located. A deed for two acres of property dated 1795 says that "a new meetinghouse" has recently been built on the property. This deed was for two acres of land in the southeast corner of the old section of the cemetery. Records also show that other buildings have been built in 1841, 1871, 1907 and the present building was constructed during the 1950's and the dedication service was held on December 28, 1958.

The church was constituted on October 12, 1839 with 25 members. Through the years it has grown to its present strength of 586 total membership. Elder Josiah Wiseman was the first pastor and he was at the time serving as pastor of Jersey Baptist Church, the 'mother' church to Reeds. From the year 1795 until 1841 a member of the Jersey congregation held in trust the deed to the property which had been given by George Reed.

During the early years of its history, prior to 1839, the Church was known as an "arm" or a "branch" of the "Baptist Society that is in the Jersey Settlement." The early name for the young Church was Reeds Meetinghouse. Later the Church was called Reeds X Roads, however the name for many years has been Reeds Baptist Church.

From its beginning until 1924, this Church, like most Baptist Churches of those days, had only quarter-time services, with the minister coming into the community on one weekend

each month for a Saturday Afternoon conference and preaching service, and then staying overnight for Sunday services. The church was fortunate indeed that had a resident pastor. From 1924 until 1945 half-time services were held. From 1945 until the present a fulltime program of preaching and ministry has been carried out.

Through the years the Church has been served by 39 men either as pastor or elected supply pastor. Especially during the years 1891-1921, many of these pastors served also as teachers in the Reeds Academy which was also located on this site. Those who have served in the capacity of pastors of Reeds Church are: Elders Josiah Wiseman, Wm. H. Hamner, William Turner, Azariah Williams, Amos Weaver, William Lambeth, J. B. Jackson, Aaron Yarborough, Pinkney Oliver, Elijah Allison, John Redwine, Henry Sheets, Thomas Carrick, J. M. Hilliard, J. M. Bennett, J. R. Miller, H. Morton and S. D. Swaim. Along about this time, in the records, the title of ministers changed from Elder to Reverend. Those pastors addressed as Rev. are: Rev. J. T. Jenkins, O. A. Keller, J. H. Vipperman (Supply), J. M. Hamrick, J. F. Carter, Dr. Ben C. Ingram, Dr. Forrest C. Feezor (Supply), H. T. Gillespie, Hoyle Love, J. C. Gillespie, W. L. Barrs, Dr. R. C. Foster, C. H. Foster, E. W. Turner, E. C. Roach, N. C. Teague, Horace V. Kinney (Supply), Malvin C. Swicegood, Dr. F. M. Powell (Supply), Bennie Crawford and the present pastor, John Pace.

God has given us a glorious past. Our continuing prayer for the future is that it may be even more productive and rewarding.

John H. Pace, Pastor

BRIEF HISTORY OF SMITH GROVE BAPTIST CHURCH 1908—1976

Smith Grove Baptist Church was organized in 1908 with 43 charter members. This is one of the sister churches of Piney Baptist Church. Rev. S. D. Swaim from Piney Baptist Church helped to organize the church.

The original tract of land was donated by W. H. Smith and wife, Mollie Smith and R. H. Beck and wife, Sarah Beck in 1909, the tract containing two acres.

Rev. Swaim was called as pastor of Smith Grove church in 1909. The worship services at that time were held in the Beck School House once a month. The church was built in 1909, by, and under the supervision of, J. H. Grubb and a committee composed of R. H. Beck, R. L. Young and C. B. Simmerson. The church was named in honor of W. H. Smith to be called Smith Grove Baptist Church.

July 23, 1910, the Liberty Baptist Association adopted the church into the association. The first messengers were A. A. Young, W. H. Smith, J. B. Brewer and G. C. Orrell.

In 1912, Rev. Swaim resigned as pastor and Rev. B. O. Myers supplied until Rev. J. F. Flitcher was called, Rev. Flitcher serving until October 25, 1913. Rev. J. L. Carrick was then called as pastor and served until September 1, 1914. October 4, 1914, Rev. W. C. Smith was called and served until his death in 1917. March 12, 1917, the church voted to record the respect and love to the deceased pastor, who, while hunting had an accident and was killed. Rev. Floyd Fry served from April 7, 1918 until August 27, 1922. Rev. J. A. Combs served as supply pastor from May 27, 1923 until September 1, 1923, at which time he was called as pastor, serving until March 2, 1924. Rev. H. T. Penry was called in 1924 and served until 1926. Rev. Earl Bradley was then called. In 1926, the auditorium was renovated, the choir loft added; also, two class rooms were added, the church was underpinned and a new roof was installed. All of this was paid for by donations. Rev. Bradley served the church as pastor until 1934. Rev. C. D. Barringer served from 1934 until 1939. In 1939, Rev. D. W. Digh was called as pastor. During his pastorate, the church building was insured, electric lights were installed, new pulpit furniture and new pews were installed. Rev. Digh resigned in 1944.

In 1944, Rev. C. V. Talbert was called as pastor. In 1945, the church purchased one acre of land from J. H. Grubb. W. H. Smith, known as Uncle Henry Smith, donated his third tract of land to the church on which the parsonage was built. Rev. Talbert served until 1946.

In 1946, Rev. Jesse Dickens was called as pastor, serving until May 20, 1951. He was followed by Rev. Elmer Warren Day, who was called August 19, 1951.

April 1, 1953, a building fund was started for a new church. August 11, 1957, the ground breaking service was held on the site with Mr. G. A. Clement breaking the ground. Mr. Clement was a charter member and the oldest member of the church. The new sanctuary was used for the first time on April 6, 1958. On April 26th, the old church building was sold at auction for the sum of five hundred dollars. August 24th, the new church was dedicated and the cornerstone laid. Valuable materials were placed with the laying of the cornerstone. The cost of the church was fifty-two thousand dollars. The windows were donated in memory of members.

June 11, 1961, Rev. Elmer Warren Day resigned and Rev. R. N. Honeycutt supplied until October 15th when Rev. Ray Billings was called.

December 5, 1966, the church debt was paid in full and the note was burned.

May 7, 1967, Rev. Ray Billings resigned. Rev. W. N. Brookshire then supplied as pastor until October 8th when Rev. Ray Hooper was called.

In 1967, the church entered into agreement with Gray Smith and wife, Isabel Smith, and son, Truett Smith, for a trade of land, being thirty-five or forty acres, with approximately seven hundred feet of frontage, and parallel to the church property. This was for the new parsonage. Mr. Paul Weaver was the architect for the church and the parsonage. The cost of the parsonage was four thousand dollars. July 15, 1968, Rev. Hooper moved into the parsonage and March 2, 1969, it was dedicated. The note was burned June 18, 1972.

Mr. Bradford Simmerson donated a lot of time in making registers, offering plates, desks, tables, cabinets, etc. for the church. Mr. Wayne Ludwig donated time in carpeting the church and parsonage. Both money and labor were donated by members and friends for the church and parsonage.

March 10, 1974, an air-conditioner was installed in the church at a cost of six thousand, six hundred dollars. Choir robes were purchased, costing nine hundred, forty-seven dollars and twenty-five cents.

May 19, 1974, Rev. Ray Hooper resigned as pastor and Rev. Ronald E. Chapman supplied for the church. August 25, 1974, Rev. Marvin Honeycutt was called as pastor. In December, 1974, the church purchased a public address system for the sum of eight hundred, eighty-five dollars. March 9, 1975, Rev. Marvin Honeycutt resigned and Rev. Ronald Chapman was called back as interim pastor.

August 24, 1975, Rev. C. R. Yarborough, Sr. was called as pastor. The church budget for 1975-1976 stands at twenty-one thousand, six hundred, forty dollars and eight cents. The church membership enrollment is three hundred and the Sunday School enrollment is one hundred, ninety-eight. We still have two of our charter members, Mr. Fred Clement and Mr. Cleve Orrell, who still attend church when able.

AMERICAN BIBLE SOCIETY REPORT

The work of the American Bible Society in the modern world today is essentially the same as it has always been—that is, the translation, publication and distribution of the Holy Scriptures in the language of the people, without note or doctrinal comments and without profit. The number of scriptures distributed annually runs into the hundreds of millions of copies and the number of copies increases each year.

One of the most recognizable tasks of the American Bible Society in recent years has been the development of the translation of the New Testament called GOOD NEWS FOR MODERN MAN. The Bicentennial year of the American Revolution will mark another milestone in the work of the Society when the GOOD NEWS BIBLE, the entire Bible in Today's English Version, is to be published. We recognize that we owe a humble word of thanks to the American Bible Society for providing such a readable and understandable version of the Bible to assist our efforts to spread the Gospel into all the world. More than 50 million copies of this book in paperback has been distributed since its introduction ten years ago.

Other special tasks of the Society in our world today has been the development of the program called Good News for New Readers. Since the beginning of this program two years ago, it has made available to people just learning to read simple, understandable portions of the Bible to encourage them until they are more able to read the regular translations of the Scripture. An expansion of this program is now underway to provide this service for many of the underdeveloped countries of the world.

Southern Baptists can rightfully be proud of its close association with the American Bible Society over the years. Of the 8.5 million Scripture Imprints produced by the American Bible Society in 1975, 2,259,000 copies were imprinted for Southern Baptist Churches and their agencies. About 16.5 per cent of the total contributions to the American Bible Society comes from the Southern Baptist Convention.

The Society says, "We ask for your continual prayers, that the Bible Society, in partnership with the Southern Baptist Convention and other willing Christians may perform even more effectively its task of bringing the Word of God to those who ask for it and need it.

Respectfully submitted,
Mrs. John Pace

ANNUITY BOARD REPORT

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related vocations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to $401,135,261. While this appears to be a great deal of money, this must be divided among the 40,000 future annuitants and serve their lifetime, post-retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,003. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A thirteenth Check issued in December, 1975, provided 8,221 annuitants with an extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to $733,585. It is called the Thirteenth Check because it is over and above the twelve regular monthly payments.

The Annuity Board helps churches and Southern Baptist Convention agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

In North Carolina 2,667 staff members of 2,140 churches and associations are participating in the Southern Baptist Retirement Program—2,421 in the Family Benefit Section (Plan A), 1,069 in the Age Security Section (Plan B), and 240 in the Variable Benefit Section (Plan C).

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT

As our nation enters its third century, we are reminded that its future is in its children. We have no greater national need than strength of character and wholeness of persons in our citizens. Yet, too many children, through family tragedy or breakdown or weakness, are deprived of the growing experiences so essential to wholeness of life.

The purpose of the Baptist Children's Homes of North Carolina is to help make up this loss through a Christian ministry of quality child care. Emergency Care is offered the child who needs immediate short-term care to provide time for a more permanent plan. Group Care is offered the child who needs the multiple relationships which a group of his peers and a staff of Christian professionals can provide.

Foster Care is offered the preschooler and the older child who needs the closer relationships of a family setting. Maternity Care is offered the unwed mother and her child. Preschool care and education are offered a select group of younger children. Consultation in child development and family life education is offered to churches concerned for families and children in their communities. Varied planning and counselling services are offered to families in stress.

In each of these services, the focus is on the whole family; the motivation is Christian love; the aim is wholeness and health for the persons served.

To make these varied services available to families and children, a statewide network of facilities and programs has emerged. Indian Beach, Kinston, Pembroke, Fayetteville, Raleigh, Burlington, Wallburg, Thomasville, Charlotte, Forest City, Asheville, Waynesville—each site is a base of operations from which families in need can secure assistance. Furthermore, the staff is prepared to call on the additional resources of religious, educational, medical, psychological, recreational, and social service personnel in the communities to help persons grow to their full potential.

No greater investment can be made in the future of God's Kingdom or in the future of America than to invest in children. Your support of missions through the Cooperative Program is the lifeline of the Baptist Children's Homes. Your special gift at Thanksgiving further guarantees the continuance of Christian child care. The staff and children of the Baptist Children's Homes pledge ourselves to make the most of the opportunity your investment provides.

Respectfully submitted,
Franklin Bailey

BAPTIST FOUNDATION REPORT

This Foundation was established by our Baptist State Convention for the purpose of providing opportunities to give and to support missions and other Convention objects in a tangible and in a perpetual manner. The money and income derived therefrom has provided a steady flow of assistance and benefits to our hospital, Children's Homes, Home and Foreign Missions, Homes for the Aging, Scholarships, and to other Convention agencies and institutions.

Total donations to the Foundation for the fiscal year 1975-76 for our institutions and missions was over $210,000.00, creating a total Foundation asset, as of this date, $2,946,000.00 The income from the Foundation trust funds paid to beneficiaries during this fiscal year amounted to $157,069.28.

What I can do to help the Foundation:

1. Make a donation at any time in any amount to be used by the Foundation in its discretion, or the gift may be held in perpetual trust by the Foundation and only the income be spent for the benefit of any Convention agency of your choice.
2. By your Will provide a gift of any size to be used by the Foundation in its discretion, or provide that a gift shall be held in trust and the income thereof to be spent by the Foundation in its discretion or any Convention agency of your choice.
3. During life or by Will, you may provide gifts of property by deed, money, stocks, bonds, bank certificates, etc. to the Foundation, reserving in your Will or agreement the use, benefit and income of this property during your life and after death, the income or principal, or both, be used as you may specify in your Will or by your agreement with the Foundation.

These gifts can be made direct with no strings attached, or may be given in perpetual trust with the income to be used in your memory, or in honor of some friend or relative, or to the glory of God.

These gifts, in most part, are tax-free and are stored where "moth and rust" cannot corrode nor thieves break through and steal and can be provided "against that day." Anyone desiring to contribute to this Foundation may contact their attorney or Edwin S. Coates, Executive Secretary of the Baptist Foundation, P. O. Box 26508, Raleigh, North Carolina 27611, who will provide free any information to carry out your wishes.

Respectfully submitted,
Beamer H. Barnes

BAPTIST HOMES FOR THE AGING REPORT

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March of 1951, to five Homes and an excellent nursing facility; from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year we have entered into a fund-raising effort to raise $1,000,000 for the contruction of the Western North Carolina Baptist Home in Asheville. The response of our pastors and people of Western Carolina has been most encouraging, and there is every indication that we will reach the goal.

When completed, the Western Carolina Home in Asheville will accommodate 50 people and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes and a Nursing Care Unit: Resthaven, the Hayes Home, the Nursing Care Unit, in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton; and the Yanceyville Home in Yanceyville, North Carolina.

The love gifts of our people make this Christian care and concern possible, through the Cooperative Program, and the special offering for the Homes, received on the third Sunday of February each year. We are grateful for these gifts and thank every North Carolina Baptist who makes them possible.

Respectfully submitted,
Gaither C. Lewis

BAPTIST HOSPITAL REPORT

A phrase frequently heard in staff meetings at Baptist Hospital is "Christian Stewardship." The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. The idea is to demonstrate a team involvement in a Christian ministry of healing. This team involvement of employees makes a difference, they feel, in ministering to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant developments recently is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-around, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

The Pastoral Care Department continues to assign chaplains to each area of the hospital to minister to the patients, staff, and visitors. Clinical Pastoral Education continues in full swing. Also, a third satellite has opened in Morganton.

Physical improvements, also, express a sense of stewardship in such areas as renovation of the west and south wings; construction has been completed on an addition to the water-chilling facilities; work is being done on a 4-level parking deck; and a new department of Family Medicine building is started.

Mother's Day gifts ending June 30 were $405,946.52 for the year. This is up from last year. Last year's gifts totaled $390,000.00.

Respectfully submitted,
Dalphon J. Thompson

CHRISTIAN HIGHER EDUCATION REPORT

A careful reading of North Carolina Baptist history reveals that the Baptist State Convention was organized primarily for the purpose of establishing a Baptist college. When the Convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptists wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in this state have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of Baptists embraces six other colleges in addition to Wake Forest: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, and Wingate.

Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

It is not enough that North Carolina Baptists have begun and now support six colleges and one university. As important as history and tradition are, they cannot substitute for warm, vital relationships in the present. The need for colleges and churches to give fresh attention to their partnership and their mutual dependence is always present. Listed below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptists continue to support their colleges through the Cooperative Program and the Baptist College Day offering on Father's Day.
2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist churches.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grants, loans, and work scholarships are available.
5. Churches, pastors' conferences and associations invite the colleges to send students and faculty to speak and lead programs
6. Baptist colleges are anxious to receive invitations to serve the churches and associations. Each of the colleges is prepared to send speakers upon request.

In a secular world with its materialistic priorities, Baptist colleges are committed to the guidance of Christian values in the search for truth. Believing that God is the source of all knowledge and wisdom, Baptist colleges can urge students to search for truth in all areas of knowledge without fear.

Baptist colleges reaffirm their gratitude for the support given by Baptists through the Cooperative Program.

CHRISTIAN LITERATURE REPORT

Hosea declared, "My people are destroyed for lack of knowledge." Jeremiah also cried out, "Publish and conceal not." Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Marse Grant, Editor of our state Baptist paper, says that "Churches must take initiative to provide accurate information if work in the local church, association, ad convention continue to show progress.

In our society today, young people are exposed to many types of literature. Therefore, as Christian parents, we need to provide the best possible literature in our homes. May I suggest that you visit one of our BAPTIST BOOK STORES nearest you. Almost anything in the way of Christian literature can be purchase here. Other Christian literature includes the BIBLICAL RECORDER, HOME LIFE, HOME MISSIONS, THE COMMISSION, and CHARITY AND CHILDREN. These Baptist publications are some of the finest and can be subscribed to on a yearly basis.

Each year more churches understand the importance of providing the BIBLICAL RECORDER for each family. When this is done, members become more responsive because they are better informed. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a BIBLICAL RECORDER club. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of ALL people. The reward will be GREAT."

FOREIGN MISSIONS REPORT

A primary task of Southern Baptists is the sending out and maintaining of missionaries through the channel of the Foreign Mission Board. At the beginning of 1976 the Board had an overseas staff of 2,667 (including 206 missionary associates, 156 missionary Journeymen, and 5 special project medical workers). The 265 reinforcements for the missionary staff established a new record in the number of missionaries sent forth in a single year. New missionaries included 134 career missionaries, 20 who were reappointed, 29 missionary associates, 80 missionary Journeymen and 2 special project medical workers.

On January 1, 1976 Southern Baptist missionaries were assigned to 82 geographical or political entities. El Salvador was added this year. Laos was removed after the Communist takeover of that country. Missionaries are no longer in Vietnam, but some are still assigned there and are working with Vietnamese refugees while on furlough and pending reassignment. Due to political unrest, missionaries have withdrawn from Angola and Mozambique.

The Foreign Mission Board now supports 20 Publication Centers, 4 International Seminaries, 53 National Seminaries, Theological Institutes, and Bible Schools, 12 colleges, 33 Medical Centers, and 29 Mass Media Centers.

As the largest Protestant missionary sending agency in the world, Southern Baptists have an awesome responsibility and tremendous opportunity in gospel proclamation. Let us pledge our conintuing and increasing support in order that we may continue to be "mission centered" and achieve with God's guidance even greater goals this year.

Mrs. Larry Sides

HOME MISSIONS REPORT

This coming year you will be reading, hearing, and praying for a new emphasis called Bold Mission Thrust. It involves the individual Christian to step out and evangelize America for Christ. Also this year, you will hear less a common name we have grown to love and respect, Arthur B. Rutledge. Coming as the new Executive Secretary is Dr. Bill Tanner, former president of Oklahoma Baptist University. Dr. Tanner comes to the new work saying, "I am convinced God is going to reach America through the Home Mission Board. I really believe it . . ."

For several years the word "indigenous" has been used to describe the way both home and foreign missionaries carry the message of Christ to the world. They are training, working with local groups to become pastors and leaders in their local church. The Board serves as a channel. The Home Mission Board feels that the Board should not do evangelism nor missions that local churches, associations, or state conventions could do effectively. One of the needs here in our state that is such a graphic example of this is at Cherokee. There are two seminary trained pastors and one college trained pastor in the Cherokee Association. None are Indian pastors. If these Indian men of God were trained to lead out, how this area would be different!

The present force of 2,100 missionaries will continue to be a vital force but must be increased with new recruits. The Home Mission Board expects the number to increase to 2,500 by 1980 and reach 3,500 by the year 2000.

The goal for the past Home Mission Board offering was 8.5 million dollars. The convention-wide offering has reached $8,458,931.00, with expectations of going over the goal by the end of the year. North Carolina has given $844,935.81. The churches in the Liberty Association have reported an offering for Home Missions during the past year of $15,893.87.

"A growing population, teeming cities, and millions of persons desperately needing to know Jesus Christ, set before today's Christians a challenge of the first magnitude. May we be responsive to the Holy Spirit of God as He seeks to equip us for the tasks ahead."

Respectfully submitted,
Mrs. Roy Cantrell

STATE MISSIONS REPORT

Baptists believe in World Missions. The Baptist State Convention was founded ". . . to promote missions, evangelism, education, social services . . ." (Article II, B. S. C. Constitution).

The Southern Baptist Convention was founded "for the promotion of Christian missions at home and abroad and any other objects such as Christian education, benevolent enterprises and social services . . . " (Article II, S. B. C. Constitution).

Or much further back in history it is written "And He said unto them, Go ye into all the world, and preach the gospel to every creature." (Mark 16:15).

It follows then that believing in world missions, of course, includes believing in State Missions. Too often, however, Baptists have emphasized world missions only in order to support missions on the other side of the world. In fact, the very word "missions" means to some people that which takes place in another country far removed from home.

But the plain fact is this: North Carolina is a mission field. It is just as much a mission field as North Dakota or North Vietnam. Missions-needs exist in Winston-Salem just as they do in Jerusalem.

North Carolina is made up of a variety of people with a variety of mission needs. State Missions takes place in resort areas, Indian Reservations, shopping centers, institutions, inner-city projects, child-care centers, college campuses, migrant work camps, military centers, or anywhere people meet and have needs. State Missions takes place in local churches, associations, regional and state conferences, camps and assemblies, Fruitland Baptist Bible Institute, seminary extension courses or anywhere people meet to prepare to meet needs.

More and more, the Southern Baptist Home Mission Board is directing its work in the pioneer mission fields outside the South. At the present time, only a few Home Mission projects exist in North Carolina, and these receive two-thirds of their financial support from State Missions. In the main, therefore, "home" missions in North Carolina is supported by "state" missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering in September. The annual offering is similar to the Lottie Moon Offering (foreign missions) and the Annie Armstrong Offering (home missions) in terms of providing essential support for world missions.

The 1976 State Missions Offering goal is $400,000. The distribution of the offering, approved by the Baptist State Convention, is as follows: $175,000 for the basic mission budget; $43,000 for the classroom building at Fruitland Baptist Bible Institute; $72,000 for the Caraway Conference Center; $10,000 for special mission projects; and $100,000 (or all over the basic $300,000 amount) to Long Range Planning Development at North Carolina Baptist Assembly (Caswell).

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Libery Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.
2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.
3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordnation before the call of the ordaining council shall be approved.

ORGANIZATION AND ADMISSION OF NEW CHURCHES

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.
3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Liberty Baptist Association has met four times since the last annual meeting in September of 1976. These meetings have been scheduled in compliance with the Constitution and By-Laws, and have provided a structure for a large segment of Associational work. Reports were heard from organizational leaders, and several significant items of business were transacted. The attendance has reflected widespread interest among the churches and a growing sense of opportunity in Christian witness. The following summary of the four meetings will focus upon the more important areas of work in which the Association has been involved.

November 8, 1976, was the date for the first meeting in the new year. Following introductory remarks by the Moderator, Rev. Leonard Rollins led in a devotional period with scripture reading and prayer. Organizational reports were presented and committees were recognized. The Rev. Melvin Greene, Evangelism Director, shared with information and promotion of a special service scheduled for November 22, 1976, at the First Baptist Church of Thomasville. Plans called for a combined meeting of "M" Night and an Evangelistic Rally, with Evangelist Eddie Martin as speaker.

Action was taken on two applications for financial aid from the Baptist State Convention. The first was a request for a supplement to the salary of the Director of Associational Missions in the amount of $672.00. The second was an application from the Faith Baptist Church for $300.00 to be applied as travel expense for the pastor. Both these requests were approved.

It was announced that upon recommendation the Rev. John Pace had been selected to represent the Liberty Association on the General Board of the Baptist State Convention in the November meeting.

Mr. Rollins asked for suggestions by the Executive Committee relative to the scheduling of a World Missions Conference and an Associational Pastor-Deacon Workshop.

The second meeting was held on the evening of January 31, 1977. Following a period of worship led by the Rev. Franklin Myers, reports were presented which focused upon organizational activities. Mrs. W. L. Martin, Jr., reported that approximately 125 women from the churches of the Association had completed 5 hour studies of the W. M. U. Manuals. An extremely favorable response was made to request from the state W. M. U. leaders to provide gifts for inmates at the Women's Prison in Raleigh. Plans were emphasized for a Missions Rally at Lexington First Baptist on March 6,, the Annual W. M U. meeting on March 28 at Welcome, First, and an Associational Missions Fair at Mills Home, April 30.

Plans were projected by Mr. Danny Dalton, Associational Church Music Director, for establishing two church music libraries by churches sharing current materials with each other.

A report from the Missions Committee indicated that churches which had been delinquent in cooperative effort had been contacted with favorable response being shown.

Mr. Rollins stated that 40 churches of the Association had reported a Lottie Moon Christmas Offering of $51,980.14. Plans for other emphases included: Wingate College Day to be observed on February 20 with speakers from the college being assigned to all churches submitting a request; Dr. Elias Golonka scheduled to speak at the Missions Rally on March 6; a Pastor-Deacon Workshop for evenings of May 2-3; World Missions Conference scheduled for October 8-15, 1978; and the shift for focusing on Associational Missions from August to May 15-21.

The Property Search Committee which had been appointed in April, 1973, brought a report. It was stated that a piece of property containing 2.77 acres of land, located on the South side of New Highway 29 and 70 at the intersection of a county road East of Rich Fork Creek, belonging to Mrs. Isabelle Lewis, was available to the Association for the sum of $10,000.00. The Committee, consisting of Lamar L. Moore, Jr., Carl Hemphill, Gaither Lewis, James Beck, and Morris S. Hollifield, recommended that the Executive Committee authorize the trustees to purchase said property for the Liberty Association with the purpose of later building an Associational office. The matter was approved by standing vote.

The Finance Committee then presented a plan for securing funds to purchase the above property. The plan asked for the trustees to take a three months option on the property thereby giving the churches opportunity to raise special offerings for the project. At the end of three months, the trustees would be empowered to borrow needed funds up to $10,000.00, from Lexington State Bank, to complete the purchase. The trustees would be authorized to use the land, or a $5,000.00 certificate of deposit owned by the Association, as deemed wise, for collateral. The recommendation received unanimous approval. It was agreed that the churches would immediately be contacted and encouraged to share in the special gifts toward the purchase of the property.

The third meeting was on the evening of April 25. The worship period was led by the Rev. Melvin Greene. The W. M. U. report indicated plans for three Day Camps for missions Friends to be conducted simultaneously on May 21. The treasurer's report revealed that 14 churches had contributed $3,340.00 toward the property purchase. The general fund showed a balance of $6,132.95. The Evangelism report called for a Pastor's Clinic to be held at Rich Fork on May 10-11, 9:30 A.M. - Noon, with Dr. Eddie Lieberman of Greenville, South Carolina, as guest speaker. Mr. Sam Lowry from East Baptist Church in Gastonia would serve as guest musician. Several training opportunities were announced and other denominational information was shared.

The fourth and last meeting was September 19. Mrs. W. L. Martin, Jr., led devotions. The Rev. Hugh Biggers announced October 30 as High Attedance Day in the Sunday Schools, which is to be linked with a two week effort to reach and enroll new members. The W. M. U. report noted that $7,800.00 was reported from a total of 12 churches toward the special State Missions Offering on September 18. The Lottie Moon Offering goal for 1977 was noted as 34 million dollars for the Southern Baptist Convention.

The treasurer's report showed that there was a gift at some time during the year from every church. There was a balance due on the note for the Associational property of $2,152.00. As of this time 34 churches had contributed $8,008.65 toward the property purchase. The Finance Committee chairman stated that a recommendation would be made at the annual meeting to open a savings account so contributions could begin toward the building of an

Associational office.

Upon a suggestion by Rev. Leonard Rollins, Morris Hollifield was elected to serve as Director for the World Missions Conference scheduled for October 8 - 15, 1978. The plan is for at least 30 churches to participate, with 15 sharing Sunday through Wednesday, and the other 15 meeting Thursday through Sunday. Each participating church will be asked to contribute a basic amount of money and provide for one missionary during the week.

A committee was appointed to draw up another 10 year plan for the churches to entertain the annual Associational meeting, which would include every church as host or assisting. This committee included Carl Hemphill, John Pace, and Leonard Rollins, and the report will be presented at the 1978 session.

A request was approved to be submitted to the State Convention for supplemental aid on the pastor's salary of the Faith Church.

A recommendation from a joint meeting in June of the Missions and Finance Committees listed 8 people to serve as a Building Planning Committee. These had been contacted and agreed to serve: Lamar L. Moore, Gene Smith, J. C. Alcon, Fred Young, Robert Carroll, Mrs. James Camp, Miss Doris Lopp and Thurman Fritts. These were duly elected. Following promotional information presented by the Director of Missions the meeting was adjourned.

Respectfully submitted,
Morris S. Hollifield

MISSIONS COMMITTEE REPORT

The first meeting of the year was held on November 8, 1976. A report from our Clerk indicated that only one church in the Association was delinquent for the year 1975-76, and that was in that they did not send messengers to the annual meeting. We hope and pray that every church will meet all requirements of a cooperating church for the year 1976-77.

Director of Missions, Mr. Rollins, ask for suggestions and was given a favorable response for making plans for a World Missions Conference in 1978. We had some discussion of a Pastor-Deacon Workshop and Mrs. Rollins was asked to get more information and report back to the Committee. This report was given at the meeting held on April 25, 1977, with plans to have the workshop on May 2 and 3, 1977. The director also shared information that some churches within or near our Association who were having some difficulties.

On June 27, 1977 a joint meeting of the Missions Committee and the Finance Committee was held for making plans, looking toward the erection of our Associational office building on property which has been purchased between Lexington and Thomasville. Mr. Rollins reported that 28 churches had contributed nearly $7400.00 toward the land purchase. After some discussion it was agreed that at the next Executive Committee a Building-Planning Committee should be elected. Our next step was to nominate 8 persons from across the Association to serve on this committee. They were contacted and agreed to serve if elected, which as indicated in the executive Committee report, were elected at the September 19, 1977 Executive Committee meeting.

Our committee met immediately after the Executive Committee meeting for our final meeting of the year and heard reports from the Director of Missions. It was reported that to date 34 churches had made a contribution toward the purchase of the land and hopefully the other nine will in the near future.

Respectfully submitted,
John N. Penninger, Jr., Chairman

REPORT OF DIRECTOR OF MISSIONS

K. S. Brunson from Venice, Florida, writing for the "Speak Their Minds" section in the September issue of the **Baptist program**, said: "We no longer need 'directors of associational missions', as they have chosen to be called. I cannot point my finger at a single thing that the director of associational missions has done through our church in a positive, constructive manner that would not have been done by the local church anyway - and there would have been more done in some areas had the association not had a director of associational missions." I trust that the people of Liberty Association do not share the sentiments of our good brother from the "sunshine state." I express once again in this report my concern for you and your church and my willingness to do the work God has called me to do.

Your Director of Missions has been in all forty-three churches for at least one service during this calendar year. In addition to regular preaching services, I taught the book of Romans at Lakeview, Coggins Memorial, and Abbotts Creek; the Home Mission Study at North Lexington, Lexington, First, Oakhurst, and Rich Fork; participated in a deacon ordination service at Faith; Baptist Men's Day Breakfast at Churchland; Sunday School Council meetings at Lexington, First, and Denton, First; Brotherhood Breakfast at Oakhurst; dedication of new sanctuary and Easter Sunrise Breakfast at Welcome, First; Senior Citizens Luncheon at Wallburg. I preached the Homecoming Day sermon at Currytown, and spoke on associational missions at Floyd.

The 1976-77 associational year has been a good one, and every church has made some contribution to our associational programs. Our Finance Committee has renewed the $5,000 Certificate of Deposit for our future needs. Thirty-four of our churches have given $8,008.65 toward the purchase of property on which we plan to build an associational office. The response to the pastor-deacon conference in May was excellent, with a total attendance of 88, representing nineteen churches. The Pastoral Ministries Workshops have proven to be very helpful, and the third one is scheduled for October 24. The fifteen Interpreters for the State Missions Offering did their work well, and many of our churches gave more than they have ever given to this special offering.

Outside the association I participated in a World Missions Conference in the Flat River Association; Directors of Missions Conferences at Raleigh, Southeastern Seminary, and Caraway; General Board Meeting at Wingate College; Home Mission Board Conference in Pelham, Alabama; Cooperative Program Emphasis in the Buncombe Association; Board of Ministers meeting at Campbell College; and revival services in Ferrum, Virginia. I attended the B. S. U. Fall Convention at Ridgecrest; Parents' Day at Campbell College; Baptist State Convention in Fayetteville; State-wide Evangelism Conference in Greensboro; three committee meetings for planning a Key Associational Leadership Conference at Ridgecrest in May, 1978; State Vacation Bible School Clinic at Caraway; State Missions Banquet in Greensboro; Cooperative Program

Seminar and Missions Support Hearing in Asheboro; Southern Baptist Convention in Kansas City; and an Attendance Promotion Committee for the State Convention meeting in Charlotte. I also preached in the Hillcrest Baptist Church, Central Association, and Edgewater Baptist Church, Birmingham, Alabama. I will be in the Pee Dee and Sandhills Associations for World Mission Conferences October 1-9.

WOMAN'S MISSIONARY UNION
AUXILIARY TO LIBERTY BAPTIST ASSOCIATION REPORT
October 1, 1976 - September 30, 1977

"Teach Missions - to know - to grow, and Minding the Future, have been challenging Emphases for those of us in Woman's Missionary Union this year. We realize that as we do Teach Missions we know more about them, grow in Missionary education, and should come to the point of next year's emphasis of doing and being. I'm sure that many WMU members have grown in just this way through programs, book studies, mission action, etc., experienced this past year.

Your Associational WMU Council has met quarterly to plan their work. The age-level Councils have also met. The entire Council attended the State Workshop at Mundo Vista, and three Directors attended WMU week at Ridgecrest.

A five hour study of all the new Manuals was held last Fall. One 2½ hour session at Coggins Memorial and another at Carolina Memorial churches.

Baptist Women observed the Baptist Women's Day of Prayer with a morning session at the First Baptist Church on Village Dr., Lexington, and a night session at the North Lexington Baptist Church.

Acteens had a busy year with all 7 officers attending BLAST, a training session for Associational Acteens officers, at Mundo Vista. A study of the Acteen Handbood was held, and Miss Diane Keck, Missionary Journeyman to Japan, taught the Mission Study Book for Foreign Missions. In March a "Share His Love" Banquet was held at the Jersey Baptist Church with Mrs. Billie Voncannon of Asheboro as guest speaker. April found 60 of our Associational Acteeni aboard the Mills Home bus headed for the State Acteens Convention at Ridgecrest.

Ninety six G.A.'s attended a sharing meeting at the First Baptist Church of Thomasville.

Mission Friend Leaders turned out in Great numbers when Miss Melba Hawkins, Pre-School Director of First Baptist Church, Lexington, taught the book "Understanding Pre-Schoolers". Three Mission Friend Day Camps were held. One at Jersey, Rich Fork and Welcome. A study of the Mission work in Ethiopia was used for the Day Camp.

The entire Associational WMU joined with other Associations to provide gifts for the Women's Correction Center and Dorthea Dix Hospital for Christmas boxes. More than 375 pairs of pantyhose and over 150 boxes of bath powder were taken to Raleigh on December 10th from Liberty Association.

The Mission Fair in April was a great experience for all who attended. The booths and exhibits were well planned and most informative as to Mission causes they represented. We appreciate the help of all who participated and especially those at Mills Home who provided the space, tours of the Campus and the concessions for the day. Those of you who did not attend missed a real treat, and we hope that even though this was a first for the Association it will not be the last Missions Fair and that more of our people will participate and attend.

Approximately 200 attended the Annual Spring Meeting held at Welcome Baptist Church. Special guests were Mr. Archie Jones, Missionary to Ecuador, and Miss Suthell Walker, State Baptist Women's Director. Jersey Baptist Church was recognized and received a gavel for nine years of Distinguished Achievement in WMU.

Twenty women attended the book study of "The History of Woman's Missionary Union" at North Lexington Baptist Church. Mrs. Paul Kesler, Churchland, led in this study.

An overnight WMU Retreat is planned for September 30-Oct. 1 at Caraway Conference Center. Special guests speakers will be Dr. E. W. Price, Pastor Green St. Baptist Church, High Point, Mrs. Archie Jones, Missionary to Ecuador, Miss Gwen Jones (MK), Nurse, Mrs. James Marchman, Forest City and Mrs. Leonard Rollins, Lexington. Age level workshops will also be led by Associational Directors.

We hear so much about **BOLD MISSIONS**, and what an exciting time to be alive and at work for our Lord. We have so many new, exciting things ahead and we want to be ready when the time or challenge comes to us and say "Here Am I Lord, Send Me". We feel WMU is the place for every woman and young person to be taught to know, grow, do and be what God would have us **DO** and **BE**.

Mrs. W. L. Martin
WMU Director

BROTHERHOOD REPORT

In keeping with the bicentennial spirit, the 1976 year could be labeled as "The Action Year" for North Carolina Brotherhood. The news of an increased enrollment of almost eight percent within the men and boy's mission units in the churches proved to be a source of encouragement. The enlarged organization of Baptist men that had been formalized in 1975 began to perform. Lay people from North Carolina have become increasingly interested in and involved in mission service in other communities, states, nation, and around the world.

North Carolina Baptist Men reached out again in 1976 to enlarge its base organization. It calls for a board consisting of 130 Baptist laymen from North Carolina baptist churches. It is believed that this enlarged base will stimulate new interest and greater lay support for lay involvement in missions. This organization will be supportive to the convention and the Brotherhood Department.

One very important part of Brotherhood work is our R.A.'s. This year Camp Caraway had capacity attendance of 6760 campers. Several hundred young boys made initial decisions to receive Christ as well as commitment for mission service.

The minutes of 1976 shows that we have 24 churches with some phase of Brotherhood work with 1003 enrolled. It is easy to see that we are not keeping pace with other associations in our state. Under new leadership next year let us go forward.

Carl Hemphill

SUNDAY SCHOOL REPORT
1976-1977

Our Sunday School Department has been busy in the past year seeking to make available things that would help our Sunday School be the kind of Sunday School it should be and the kind you want it to be.

Let me list some of the things they have done and are doing.

One, we had Bible Teaching-Learning workshops in almost every state in our nation last yar with emphasis on things like improving Bible Study, recognizing the importance of the Bible, identifying the needs of learn rs, understanding your role in the Bible Teaching-Learning process, and improving your Bible Teaching skills. These were helpful in bringing to our attention that the learner and the learning process are important in our teaching.

Two, we had a number of new books and materials made available this year. Things like Helping Teachers to Teach, Teaching Adults in Sunday School, Teaching Youth in Sunday School, Teaching Children in Sunday School, and Teaching Preschooler, were among the new bookss this year. Then Teachers aids and promotional materials of all description were made available. I was surprised to learn we had so many good things available to help us in our Sunday School Work.

Three, a continuing emphases is being placed on Reach-Out this year which includes a high attendance day in Sunday School October 30, with a week of new efforts to enroll more people in Sunday School beginning October 23 and two weeks of follow-up after high attendance Sunday. This would be a good time to use the Action Program or some of the principles in this program. Our goal for High Attendance Sunday is 500,000 for the State.

Fourth, new emphasis is being placed on starting new adult classes. We have seven million Southern Baptist who are not involved in Sunday School. Most churches have enough adult members who are not in Sunday School to start several classes. Our denomination has a goal of 100.000 new adult classes by 1980. The motivation is not necessarily to reach a goal but it is to reach people with the Word of God to give them a foundation to build a life upon.

Now these are just a few of the many things our Sunday School Department has been doing to help us to have a better Sunday School. I am proud of the work they have done and are doing. They are offering unto us a multitude of suggestions and ideas that are working. Last year our Sunday School Department showed the largest gain in enrollment in 21 years. These programs and materials are Biblically based and God is Blessing them. I am looking forward to even greater Blessings in the coming year.

Respectfully submitted,
Hugh Biggers

ASSOCIATIONAL EVANGELISM REPORT - 1977

The Pastor's Evangelism Planbook 1977-79: **EVANGELIZING AND CONGREGATIONALIZING** has already been sent to all churches. It includes various emphases on The Evangelistic Church on Bold Mission. Additional information on

this theme will be shared with pastors and church leaders.

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week - June 13-17, and many different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors, and adult leaders are planning to attend the 7th Statewide Youth Evangelism Night - August 19 - at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida were the guest preacher and soloist. All youth who make decisions for Christ are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which included these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W.O.W. - Win Our World - has to do with specific witness training for youth in the local churches.

65 associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state. Good reports on revival meetings and city-wide crusades have been received.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

During the past Associational year we held an Evangelistic Rally at First Baptist of Thomasville, N. C. in November (1976) emphasizing Personal Evangelism with Dr. Eddie Martin. Then in May, 1977 we held a Pastor's Clinic at Rich Fork Church featuring Dr. Eddie Lieberman.

This has been a good year in evangelism in our Association. But let us remember as long as there are lost souls around us, the task is incomplete. Jesus said, "Lift up your eyes and look on the fields, they are already white unto harvest." It seems that the Apostle Peter was indicating that our evangelistic activity can bring the Lord's Return sooner when he said, "Looking for and hasting the coming of the day of God" (II Peter 3:12). Let us be busy this next year doing all we can to

hasten our Lord's Coming.

Melvin Greene

Report of the Resolutions Committee

The Resolutions Committee, representing the one hundred and forty fifth meeting of the Liberty Baptist Association recommends:

1. That we record our appreciation for the gracious hospitality shown this body by the leaders and members of the First Baptist Church of Welcome and the Abbotts Creek Church. The congregations of these two churches did much to assure our comfort and prepare us for the inspiration of these sessions of the Liberty Association.

2. We also want to thank the Committee on Order of Business for the scheduling of the program with a proper balance of worship, reports and challenges to "bold missions" as our churches reach out to better work the old fields as well as enter new fields of witnessing for Christ.

3. We believe our Association is fortunate in the calibre of leadership we have on the associational level. Our moderator, clerk and director of missions have done an excellent job with their several responsibilities.

4. We cannot list all those who have served on committees this past year or who have reports to present at this meeting, but without their steadfast help all along we could not have had this successful annual meeting. We thank them all.

5. We hope that every messenger and every visitor will leave this session resolved to be bolder about all things concerning Christ. In our age we have the financial means, the technical ability and all else needed to saturate our world with the saving gospel of Christ. Having been challenged to "let the church reach out" in these sessions of the Liberty Association, let us resolve that we will make ourselves, our talent, time and money available for such a reaching out.

HISTORIAN'S REPORT

Complying with a resolution passed by the association and following the custom of the past several years, we bring to you today a history of the churches hosting the annual session of the Liberty Baptist Association, First Baptist Church of Welcome and Abbots Creek Missionary Baptist Church.

FIRST BAPTIST CHURCH OF WELCOME

Information furnished by the pastor,
Rev. C. Ray Yarborough, Jr.
Written by Sara Knapp, Historian of
Liberty Baptist Association

The history of First Baptist Church of Welcome was presented and published in the associational minutes in 1971. The following up-dates the history from 1971 to the present time.

By the early seventies, the church had outgrown its present buildings and thus careful planning led the church to relocate the church property. On April 4, 1971, the church voted to buy 9.06 acres of land from the E. J. Zimmerman estate. The church entered a bond program to finance the building on November 12, 1972. In conference May 11, 1975, the church accepted the bid of S. E. Trogdon and Sons to build the church. Two weeks later, the ground breaking ceremony took place. Construction began in early June, 1975 and the first service was held in the new building on Homecoming Sunday, August 8, 1976. Formal dedication of the building was held on March 6, 1977. The General Secretary- Treasurer of the Baptist State Convention of North Carolina, Dr. Cecil A. Ray, preached the dedication sermon.

Rev. C. Ray Yarborough, Jr. became pastor of First Baptist Church of Welcome on May 16, 1976, and is the fourth full time pastor of the church. During his pastorate, the church completed its building program at a cost of $375,000.00 and has committed itself to liquidate the cost in ten years. The church is currently involved in a major study of its constitution and by-laws. When finished it is anticipated this document will make the organizational structure as up to date as the building.

The following is quoted from the pastor's message to the people at the time of the formal dedication of the beautiful new sanctuary March 6, 1977: "The culmination of dreams, hopes, prayers and careful planning of the people of First Baptist Church of Welcome is realized in the dedication of this new home. We embark boldly into this new era of God's will as we set apart for worship and service: this land, these buildings and all that goes therein. Within excitement for the future and confidence in Gods leading, we declare our intention to be His people and to do His work as He gives us the knowledge and strength to know and to do.

"For sixty-five years, Welcome Baptist has served the village, helping to shape its moral and spiritual character. Today, the village is caught up in the growing, ever-expanding community of North Davidson. We are called on to meet the needs of a changing community. Having been led by His Spirit, we have taken a bold step to meet the physical demands of our growing congregation. Let us be led by His Spirit, as today we are challenged to use these beautiful resources to meet the total needs of our people and the community at large. Let us boldly walk together into the future, knowing that the God who led our fathers to begin this work, will lead us to further establish it."

ABBOTTS CREEK MISSIONARY BAPTIST CHURCH

1832-1977

Submitted by Pearl Hayworth, Church Clerk and Historian

Abbotts Creek Missionary Baptist Church was organized on July 4, 1832. The church started with thirteen members who chose to leave the original Abbotts Creek Church after some of its members had declared non-fellowship against the Baptist State Convention, Bible Societies, Sunday Schools and all other aids to the Baptist State Convention. The original church was organized around 1755 and stood near the site of the present two churches which are located across the road from each other.

At the August meeting in 1832, it was agreed by the newly organized body that the meeting time would be Saturday before the third Sunday in each month.

The two divisions worshipped in the same building until April, 1834, when the minority was locked out by the majority.

On Friday, June 19, 1835, Elder Eli Phillips preached the first sermon in the new church, which was a small log building. The sermon text was John 5:39, "Search the Scriptures, for in them ye think ye have eternal life, and they are they which testify of Me."

Elder Phillips was elected pastor in 1833 and served until 1844. He was pastor of several churches and also was appointed missionary by the association for one half of his time. He was assisted in his pastoral duties by Elders Wiseman, Crutchfield and Lanier.

The following brethren served as pastors: Elder William Hamner from 1844 to 1848; Elder Benjamin Lanier from 1848 to 1850; Elder William Turner from 1850 to 1851; Elder John Robertson 1851 to 1853; Elder Benjamin Lanier 1853 to 1855; Elder William Turner 1855 to 1859. The church was without a pastor from 1859 to 1861. Elder John Robertson served from 1861 to 1863; Elder J. B. Jackson served from 1863 until 1868 and Rev. J. B. Richardson served as pastor from 1868 to 1871. Brother G. W. Harmon was called as supply for the remainder of the yar 1871. Elder William Turner served from 1872 until 1879. Rev. R. R. Moore served during the year of 1880. Rev. S. F. Conrad was called and served until 1882. Rev. S. H. Thompson served from 1882 until 1885. Brother William Turner was elected and served until April6, 1889, when he died on his way home from his regular appointment at New Friendship Church. Brother Turner served as pastor a total of eighteen years.

In May, 1889, Rev. J. N. Stallings was called as pastor serving until 1893.

In December of 1893, a committee was appointed to draw some plans for the enlargement of the building. At this time a room 26' x 42' was built to the east of the present building at a cost of $287.00.

In January, 1894, Rev. J. M. Hilliard was elected as pastor and served until 1904 when Rev. Thomas Carrick was called. Rev. Carrick served until 1916. In January, 1917, Rev. J. M. Hilliard was elected as supply pastor and served until 1923.

In 1923, Rev. E. F. Mumford was called as pastor. Under his leadership, the church and Sunday School outgrew the church building and it was decided in regular conference January, 1926, to erect the present house of worship, which was dedicated to God's service May 20, 1928. The new structure with sanctuary and eleven class rooms was built at the cost of $20,000.00 Rev. Mumford served until January 17, 1937.

Supplies filled the pulpit until June 6, 1937, when the church voted to call Rev. T. W. Bray. Rev. Bray served from July 4, 1937, until November, 1940. During this time, a Baptist Training Union was organized and a parsonage was built at the cost of $2,500.00.

Rev. E. F. Mumford returned as supply pastor and served until Rev. B. A. Mitchell was called in March of 1941. Rev. Mitchell served until March 3, 1949.

The church had only had part time pastors until April 19, 1942 when Rev. Mitchell was called as full time pastor. He was the first minister to live in the church parsonage.

Rev. A. R. Snipes was called on August 14, 1949, and served until November, 1950. March 4, 1951, Rev. W. H. Walton began his work as pastor and served until October 14, 1962. During Rev. Walton's ministry, the educational wing was added to the church. In November, 1960, the church voted to sponsor Abbotts Creek Mission. On August 6, 1961, a special meeting was held to constitute this mission into a duly organized Baptist Church, named Hillcrest Baptist Church, having forty-two charter members at this time.

Rev. Jimmy Hinson served as interim pastor until April 14, 1963, when Rev. Joseph Coltrane began his work as pastor. A new parsonage was built in 1970 at a cost of nearly $37,000.00. Rev. Coltrane served until January, 1971.

On August 16, 1971, Rev. Charles Tanner came as pastor. During his ministry, 4.49 acres of land adjoining the church lot was purchased and a tennis court added to the church grounds. Rev. Tanner served until March, 1974.

Rev. Roy Cantrell was called and began his ministry on October 6, 1974. In January, 1975, the church voted to start a tape ministry. In February, 1975, the church voted to purchase two more acres of land adjoining the church property.

During the spring of 1976, the Baptist Men of the church added a picnic shelter to the grounds and in the spring of 1977, they added some play ground equipment.

At the present time, the church has a membership of 530 and a Sunday School enrollment of 382.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society was founded in 1816, and its work has been to translate, publish, and distribute the Holy Scripture in the languages of the people without profit or doctrinal note. Hundreds of millions of copies have been distributed throughout the world with each year showing an increase.

The **Good News for Modern Man**, which was the common language translation of the New Testament, is now complete for the entire Bible (now the **Good News Bible**). Southern Baptists have received this work of the American Bible Society with much enthusiasm.

"Good News for New Readers" is a program developed for people who read at different levels, and is designed to encourage people to read until they are able to read the regular translation of the scriptures. Work on this program, now in its fourth year, is being undertaken in over 286 languages. In Africa alone, there are over 79 "Good News for New Readers" projects.

The American Bible Society is assisting the Southern Baptist Convention in its missionary activities by making available these different translations and programs both at home and abroad.

An increase in financial rupport is needed in this time when inflation is driving up the costs, and demand for Scripture is rising. The Bible Society asks for our continued prayers and support that, together with the Southern Baptist Convention and all willing Christians, we will be blessed by God in our combined efforts to bring His Word to all those who are in desperate need of it.

ANNUITY BOARD REPORT

Those of us who share the Retirement Plan of the Southern Baptist Convention know what a blessing it is. We look forward regularly for the monthly check, and then for that extra check each year.

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid over $158 million in retirement and protection benefits.

For almost 45,000 members, the Annuity Board has held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976. This Board also administers life, medical and disability insurance programs, which reflected increases in membership.

In North Carolina as of March 31, 1977, 2,787 staff members of 2,196 churches and associations are participating in the Southern Baptist Retirement Program; 2,491 in the Family Benefit Section; 1,275 in the Age Security Section and 240 in the Variable Benefit Section. The problem is getting more churches to enter one of these plans and promote it worthily. Liberty Association has 35 members in the plan.

The Annuity Board of the Southern Baptist Convention invests the monies received from the churches and associations in the best possible way; however, the Annuity Board can accept only what money is sent to the Board from the churches. Surely because of our love and appreciation for our pastors and staff members, our churches will not neglect this important matter of their care in

disability and age. Our Liberty Association, as a whole, is to be congratulated for the evidence of the care for the pastors and staff of our churches.

Any needed information relative to this very important matter may be secured from Leonard Rollins, Director of Missions, P. O. Box 555, Lexington, North Carolina 27292.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED
1977

Baptists of North Carolina provide a ministry of love and care to children, young people and their families through the Baptist Children's Homes. The program is **more** than rooms and meals and activities and recreation. It's **more** than buildings and grounds.

The care of children is:
Missions...reaching out with a helping hand;
Evangelism...sharing the joy of life in Christ;
Love and Affection...the giving of hugs and kisses and friendship;
Education...teaching an appreciation for the finer things in life;
Restoration...enabling families to function again.

Campuses at Mills Home, Thomasville, Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

Foster Home Care, a state wide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

Emergency Shelters at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

The Maternity Home in Asheville, opened in 1970, has proved to be a much-needed and well-received service. More than three hundred girls have been served from throughout North Carolina and beyond. It is recognized for its quality of care and Christian concern.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

Members of our staff are anxious to have you and members of your churches visit on any of our campuses. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation was approved in 1919 and chartered in 1920, becoming an agency of the Baptist State Convention of North Carolina.

The objectives are as stated in its charter:

1. To promote the making of gifts...for the causes and objects fostered by the members of the missionary Baptist denomination in the State of North Carolina, in their cooperative undertakings, and to provide a way of securing greater uniformity of purposes, powers, and duties of administration in the management and distribution of the gifts so made;

2. To receive, own, hold, administer, and distribute gifts of any kind...to be used for the promotion of the Missionary Baptist cause in general or any specified object of the Missionary Baptist denomination..."

In the year 1920 total Assets held were $2,000, and on May 5, 1977, Total Assets held were $3,696,612.00.

The Foundation is the only agency or institution that receives its total operating budget from the Cooperative Program. The Convention elects the fifteen member Board of Directors, three being elected each year for five year terms. The Directors through an Executive Committee has the responsibility for reviewing budget needs and recommending its request to the General Board Budget Committee.

The emphasis of the Foundation is Stewardship - as it involves life and possessions. The Foundation provides a channel for persons to provide tangible financial assistance for all Christian ministries fostered by Southern Baptists. The Cooperative Program may be named as beneficiary of trust funds. However, the specific institution or mission cause may be named as trust beneficiary or any combination of these.

To participate in the Baptist Foundation, individuals are given several options: The most frequently used is the testamentary gift - this is simply the transfer from an estate to the charitable cause by statement in a will. There are a variety of approved methods of transferring property, securities, or money and in turn receive annuity payments for life. Persons desiring to contribute to this Foundation may contact their attorney or Edwin S. Coates, Executive Secretary of the Baptist Foundation, Baptist Building, 301 Hillsborough Street, P. O. Box 26508, Raleigh, North Carolina 27611.

BAPTIST HOMES FOR THE AGING REPORT

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years the Homes have been ministering.

Great interest was shown when more than a thousand people were present for the ground-breaking services for the new Western North Carolina Baptist Home. Among those attending were trustees, staff residents of the Homes, pastors, and other church leaders.

Construction is now under way for this lovely Western North Carolina Baptist Home, which will initially accommodate fifty people.

Another venture is the construction of four duplex apartments at the site of the Haynes Home in Winston-Salem. These apartments will care for sixteen additional persons and will be ready this fall, thereby making it possible to serve 66 more people in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program, and through the Third Sunday in February Offering. These sources supply 35 per cent of the total budget of the Homes and are used to supplement the care of the majority of the residents who cannot pay for their full cost of care.

The needs of our older people in our society are great and are overwhelming. Plans are being made for an accelerated ministry that will touch an ever increasing number of persons.

The future of our North Carolina Baptist Home is as bright as the promises of God. And in the future the Lord, and these older people in our midst, will be looking to North Carolina Baptists to share in meeting their needs.

Respectfully submitted,
Gaither C. Lewis

BAPTIST HOSPITAL REPORT

Our Baptist Hospital has a three-fold task; healing, teaching, and preaching. The primary task is healing, and the Hospital attempts to use the best personnel and equipment available. Persons with rare and complicated medical problems are referred to the men and women dedicated to the healing ministry at Baptist Hospital. Last year 158,863 visits were made in the hospital's outpatient department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states, and from 3 foreign countries.

The teaching nimistry works in cooperation with Bowman Gray School of Medicine of Wake Forest University. Last year 1,188 students were trained in medicine; 87 graduated in the basic sciences; 483 student nurses received training in three nearby schools; and 75 students were in the Clinical Pastoral Education.

The preaching ministry has a vital part in the Hospital. Worship services are held in Davis Chapel four times a week. And yet, the Christian Gospel is proclaimed daily by the staff, students, patients, and others who witness to their faith in word and deed.

Many staff members assume active roles in the denominational life on various levels. These persons are dedicated to the healing, teaching, and the preaching ministries.

Last year the Hospital received $294,324 through the Cooperative Program and $405,947 through the Mother's Day Offering. This was an increase from the previous year.

It is through our dedication and generous giving that we can provide people

at our Baptist Hospital an opportunity to minister because of their dedication. It is good to be a part of such a fine ministry in North Carolina.

Respectfully submitted,
Dalphon J. Thompson

CHRISTIAN HIGHER EDUCATION REPORT

Baptist of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate, and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries, and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans, and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students, and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

Respectfully submitted,
Mrs. Leonard Rollins

CHRISTIAN LITERATURE REPORT

The greatest challenge faced in all history of Southern Baptists is before our people for the remaining 23 years of the twentieth century. It has been called "Bold Mission Thrust," and the success of the venture is yet to be determined. The motivating message must be communicated to some 13 million Southern Baptists and to our more than 34,000 churches.

The best way we know is for North Carolina Baptists to be informed through our state paper, the **Biblical Recorder**, as they receive and read it each week. Marse Grant says, "**Recorder** circulation approaches 120,000 but should be increased in the immediate future to 150,000." The **Recorder** doesn't cost; it pays. No investment for a church pays a greater dividend.

Christian parents should see that Christian literature is always present and available in the home. Our Baptist Book Stores have the best possible books and literature. Visit one of them and see for yourself. Other Baptist periodicals include **Home Life, The Committion, Home Missions,** and **Charity and Children.** Many other magazines for Sunday School, Christian Training, Music, Recreation, Library, Brotherhood, and W.M.U. are available for our use and study. We indeed are fortunate to have the best Christian literature. May we use it and grow as Christians as we involve ourselves and our churches in the "Bold Mission Thrust."

Respectfully submitted,
Mrs. Paul Kesler

FOREIGN MISSIONS REPORT

The theme, TOTAL MISSIONS THRUST: Global Discipleship has been selected for the 25-year plans in Southern Baptist foreign missions. The primary challenge and objective in the plans embodied in TOTAL MISSIONS THRUST is to provide every person on earth the opportunity to hear the gospel by the close of the century.

This will require an all-out effort by each Southern Baptist and by other Christian groups. It will call for the utilization of every means of communication possible by all Christians at home and abroad and for dedication of personal resources.

TOTAL MISSIONS THRUST: Global Discipleship is a statement of principles and a projection of plans, procedures, methods and goals for Southern Baptist foreign missions. The plans concern two main areas of missions work - personnel and programs. These efforts will require greatly increased support by Southern Baptists as well as expansion of geographic outreach.

In order that all shall hear, the Foreign Mission Board is calling for increases in numbers of missionaries and volunteers overseas. Requests from overseas fields suggest a 100 per cent increase in personnel by the end of the century, or 5,000 persons under appointment by that time. This will call for at least 9,000 new missionaries to be sent out. At the present level of church membership in the Southern Baptist Convention, this would mean approximately one couple for every 15 churches, or one couple for approximately 5,000 Southern Baptists.

Those who do not go as career missionaries will have opportunities to become more directly and personally involved in overseas tasks through the Foreign Mission Board's lay involvement programs. The Board hopes to increase volunteer involvement overseas up to 10,000 per year by A.D. 2000. These people will minister through lay evangelism, health services, education, construction projects, agricultural opportunities, business management, disaster relief, specialized church leadership projects, choirs and youth groups, and in other ways. Devoted lay persons will give strong support to missionaries and national leaders in their tasks. They will come from several sources. Baptists who are already employed overseas will be used. Others will be encouraged to seek to serve Christ through secular vocations in foreign lands. Most will be challenged and recruited in the United States for short-term involvement overseas.

Some Christians will respond through missionary service, but all need to respond in prayer, giving, continuing concern, and personal involvement. The time-fram for TOTAL MISSIONS THRUST: Global Discipleship is now, the last quarter of the twentieth century. "We must work the works of him who sent me,

HOME MISSIONS REPORT

The top news item of 1976 was the retirement of Arthur B. Rutledge as Executive Director-Treasurer of the Home Mission Board. He was succeeded by William G. Tanner. Rutledge headed the agency during twelve of the stormy years it has faced since being founded in 1845. The storm was not internal, but it was in society. Race, changing lifestyles, war, poverty headed the list of social problems faced by the Home Mission Board. Tanner, 46, is the youngest man to head the Southern Baptist Convention agency in a century. He came to the Home Mission Board from the presidency of Oklahoma Baptist University.

At the year's end, the Home Missions Board staff had reached 101 persons. The staff has enlarged an average of two positions a year for the past eight years, climbing from 84 in 1969. The missionary force increased by 368, the most significant gain in eight years. There are now 2,492 missionaries. There are 1,282 student summer missionaries and 142 short term Christian Service Corps volunteers.

Southern Baptists were outstanding in their support of the Home Mission Board and its work. The Annie Armstrong Easter Offering topped its $9.5 million goal, receiving $9,631,012, a gain of 13.46 per cent. Cooperative Program gifts increased 13.65 per cent over the previous year.

The "Bold Mission Thrust," now in its second year, has incorporated two words to describe its goals: Evangelize and Congregationalize. Simply put, this means to make believers out of non-believers and then provide places for them to worship. The Board has various programs including Evangelism, Personal and Mass; Chaplaincy; Church loans, Metropolitan, Rural-Urban and Social Ministries; Church Extension; National Baptist, Pioneer, Interfaith, and Language Missions.

These will work together to reach the whole man, whole community, and whole nation. Mr. Tanner says, "Today the fields are white awaiting harvest. We have the means, the message, and now the mandate to reach our land for Christ. Bold Mission Thrust calls, in fact, for cooperation on all levels of Southern Baptist Convention life. But it calls most of all for renewed individual commitment by all Baptists; for, ultimately, Bold Mission Thrust must be a personal venture."

C. Ray Yarborough, Sr.

STATE MISSIONS REPORT

State Missions is a Story of mission support through prayers, personal involvement, and money.

The theme of the 1977 emphasis is "Opening the Door to Bold Missions." The first step in this boldness is a willingness for a bold commitment in giving. The offering goal is $1,385,000. The goal, a 350 per cen increase over last year, is primarily marked for debt payments. Paying off Convention debts will enable Baptists to "open the door" to greater State Mission opportunities. When we no longer owe as much money, we find new money. This year, for example, we will pay $275,000 on debt retirement, of which $150,000 is interest!

The biblical setting for the theme is I Corinthians 16:9 - "For a wide door for effective work has opened to me, and there are many adversaries."

State Missions should be very personal to each Baptist. There are direct ministries in all 100 countries and 80 associations of the state. These people are "our people" who both give and receive these ministries. Thousands of lives are being touched through the work done in 51 categories of state missions, which include student summer missions, continuing education to pastors and lay people, ministries to people with special needs, summer camps and assemblies, and ministries to special groups.

One of Jesus' greatest emphasis was upon man and his material possessions. Christ sought to free man from his selfish nature and to lead him to use things for helping others both physically and spiritually.

Baptist people have a reason to give and surely we have the faith that the state missions offering goal can be reached.

The $1,385,000 State Missions Offering will be spent as follows: $1,200,000 on debt retirement, $175,000 on general state missions, and $10,000 on emergency state mission projects.

Respectfully submitted.
Betty Bradshaw

This Annual Is Dedicated In Memory Of The Reverend John Odell Walton

BORN FEBRUARY 11, 1900 DIED SEPTEMBER 28, 1978

Mr. J. O. Walton was a native of Salisbury. He was married to Annie Lois King, from Sampson County, at 8:00 a.m. on June 4, 1932, and was graduated from Wake Forest College at 11:00 a.m. on the same day. In September, 1931 he entered Southern Baptist Theological Seminary in Louisville, Kentucky, and was awarded the ThM. degree in the Spring of 1934.

Mr. Walton's first pastorate was a field of four rural churches in Bertie County: Green's Cross, Ross, Capeharts, and Elm Grove. In November, 1938, he moved to the Southside Baptist Church in Wilmington. In May of 1947 he began serving as pastor of the Mills Home Baptist Church in Thomasville. This was the beginning of a long and happy relationship with the Liberty Baptist Association. In 1952 Mr. Walton returned to serve one of his earlier pastorates, the Green's Cross church at Windsor. It was in May of 1953 that he moved to Churchland in the Liberty Association where he served as pastor until retirement with his resignation at Churchland on February 25, 1962. The church granted permission for Mr. and Mrs. Walton to live in the parsonage until their new home was completed, which was not far from the church. They moved into their new home at Easter of that year.

During his retirement years, Mr. Walton's services were frequently sought by pastors for supply, and by churches for interim work. His wisdom and experience provided an opportunity for sharing effective leadership with many congregations. His ministry, from its beginning to its close, was marked by the faithful proclamation of the Word of God as an obedient servant of the Lord Jesus Christ. It is in deep appreciation for such faithful leadership that this annual is hereby dedicated to his memory.

BY-LAW IX - AMENDMENTS

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

Standing Resolutions

ORDINATION OF NEW MINISTERS

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

POLICIES FOR THE ESTABLISHMENT OF MISSIONS

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the mission.

5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well defined program of Southern Baptist Work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

ORGANIZATION AND ADMISSION OF NEW CHURCHES

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitutuion, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

EXECUTIVE COMMITTEE REPORT

In keeping with precedence and in compliance with the Constitution of the Liberty Baptist Association, the Executive Committee has met four times since the last annual meeting. These meetings were held at 7:30 P.M. on Mondays in the chapel of the Lexington First Baptist Church. Each meeting was opened with a period of worship. Organizational reports were made, items of business were considered, and promotional matters were presented by the Director of Associational Missions. A summary of these meetings, with full elaboration on matters of business, follows.

The first meeting was held on November 21, 1977. The treasurer's report, presented by Mr. Dothan Reese, indicated that a savings account has been opened, in keeping with the action taken by the Association in earlier annual session, for the purpose of accumulating funds toward the building of an Associational office. The current total was $532.00. The Rev. Lamar L. Moore, Jr., reported for the Building-Planning Committee, and indicated plans for sharing information with the churches relative to encouraging contributions for the proposed building. It was stated that 6,476 were present in Sunday School on High Attendance Day in the Association. It was determined that no "M" Night service would be planned for 1977. It was announced that Mr. Roy Queen, who had been called as pastor of the Victory Baptist Church, would be examined for ordination on November 27 at the Mountain View Church. An application was presented for requesting the usual annual supplement to the salary of the Director of Missions from the N. C. Baptist Convention. The application was approved in the amount of $672.00.

The second meeting was held January 23, 1978. The Sunday School report focused on a leadership clinic for March 21 with leaders being provided by the State Convention. The Missions Committee report indicated plans for communication with churches which seemed to be failing to meet the guidelines provided by the constitution for member churches. The Rev. Melvin Greene, Evangelism Chairman, shared plans for a mass meeting on Easter Monday evening. This would be held at the Reeds Baptist Church with Mr. Jack Price leading a volunteer choir and presenting a program of sacred music. This was to be followed on Tuesday with a pastors' clinic, including state workers and other invited guests.

The report from the Building-Planning Committee indicated that members of the committee had visited the new office building in the Surry Association. They had secured several building sketches for study. At their invitation, the building consultant from the Baptist State Convention had been to the Associational property and offered suggestions and information. The Church Architecture Department of the Sunday School Board was prepared to draw floor plans when specific recommendations were made by the committee and approved by the Executive Committee.

It was noted that 35 churches had contributed a total of $53,694.36 toward the Lottie Moon Offering, with 8 churches still not reported. The Valentine Banquet for the ministers and their wives was announced for February 16, meeting at 6:30 P.M. at the Red House Inn at Reeds. Copies of the 1977 Associational Minutes were distributed to those who had not received them for their churches.

The third meeting was held on April 24, 1978. The treasurer's report revealed a Building Fund balance of $2,044. Emphasis was given to the World Missions Conference scheduled for October 8-15, 1978, and discussion was held with reference to arrangements for that week. There were 30 churches committed to participate, with 15 scheduled for the first part of the week, Sunday morning through Wednesday evening, and the other 15 participating Thursday through Sunday evening.

Mr. Rollins announced that 13 officers and leaders within the Association were scheduled to participate in the Key-Leadership Confernce at Ridgecrest May 15-17 on Bold Mission Thrust. It was pointed out that this was the first Associational Leadership Conference ever scheduled on a state wide basis. The R. A. Track Meet was announced for May 6 at Ledford High School, and plans were shared for a pastor and church council workshop to be conducted at Rich Fork Church May 29. The vacation Bible School report indicated 175 people participated with 30 churches represented in the two meetings.

A report from the Building-Planning Committee revealed that the Architecture Department of the Sunday School Board had provided a floor plan for the proposed office building at the committee's request. There was also a plot drawing which suggested the preferred location of a building on the land owned by the Association. The suggested plans called for a structure 60 x 32 feet, with a total of 1,920 square feet of floor space. It was designed for one level with a conference room large enough to accommodate approximately 75 people. It was believed this would be sufficient space for most associational meetings with the exception of the annual sessions.

The fourth meeting was held on September 11. Upon receiving the treasurer's report, it was learned that the Building Fund had reached a total of $4,163.38. It was noted that the associational program had been supported by a gift from every church, and the total gifts for the year had well exceeded the budget. Mr. Rollins expressed gratitude for increased support of the Associational program. A progress report was shared on the World Missions Conference. The program for the annual session was presented and explanation given about some recommendations which would be made to the messengers. The Executive Committee heard reports concerning action to be recommended jointly by the Building-Planning Committee and the Finance Committee. After further discussion, unanimous endorsement was given to the two proposals:
to the two proposals:

1. That the Association construct an office building within the next year, using the Sunday School Board design revised plan number AO71.
2. The Committee has estimated the building cost at $45,000.00. It is requested that the trustees be authorized to borrow up to $30,000.00 as may be necessary to complete the project.

The report from the Finance Committee indicated the prepared proposed budget would reflect an increase of approximately $1,800.00, or 7%. It was requested that the treasurer be authorized to transfer $5,000.00 from the checking account to the Building Fund. This was unanimously approved without further discussion. It was reported that nine churches had made contributions to the Building fund. After a period of discussion related to the proposed building and projected plans, the meeting was adjourned.

Respectfully submitted,
Morris S. Hollifield
Associational Clerk

REPORT OF MISSIONS COMMITTEE
BY
ROY CANTRELL

The mission's committee met three times this year just prior to the executive committee meetings. During the first meeting, it was our task in keeping with our constitution to examine the status of the churches making up our association. In order to be a part of the Liberty Association, a church must meet three requirements: namely, (1) Send messengers to the annual meeting, (2) send the yearly church letter to the associational office and (3) make a financial contribution to the associatinal work.

In our first meeting, we learned that all churches had met these or some of these requirements. Five churches had not met all of the requirements. We felt we should (and we followed through with this suggestion) contact them calling to their attention the part they had not met.

During each meeting, we reviewed the work of our Associational Director of Missions and what was projected for the coming quarter. We spent time talking of helping churches who might not be able to enter if one needed that in order to participate.

During these sessions, we have encouraged our members to be sensitive to see if there areas of need in our association that a church is not able to reach or is not making an effort to reach.

REPORT OF DIRECTOR OF MISSIONS

Your Director of Missions has been in forth-one of our forty-three churches for at least one service during this calendar year. In addition to regular preaching services, I taught the book of Exodus at Churchland; the Home Mission Study at Rich Fork and North Lexington; participated in an ordination service at Hillside Park; a deacon ordination service at Coggins Memorial; Founder's Day at Center Hill; dedication of new sanctuary at Southgate and new educational building at Stoner's Grove; Baptist Men's programs at Churchland and Welcome, First. I served as recorder for two sessions of the Ordination Examining Council and spoke on associational missions at Victory. I also served as pastor of the Vacation Bible School at Hasty, and taught the Adults in Vacation Bible School at Carolina Memorial. I have assisted six of our churches in the search for a pastor and have worked with a number of others in a ministry of reconciliation and healing.

Outside the association I participated in World Missions Conferences in the Pee Dee and Sandhills associations; taught the book of Exodus in Bedford, Virginia; attended the Baptist State Convention in Charlotte; regional Sunday School meeting and State Missions Interpreters Meeting in Winston-Salem; Urban Missions Conference in High Point; Minister-Parent Day and graduation exercises at Campbell College; Metro-Missions conference in Atlanta, Georgia; Key Leadership Meeting at Ridgecrest; General Board Meeting at Chowan College; State-side Evangelism Conference in Greensboro; Southern Baptist Convention in Atlanta; Task Force on Sunday School and the State Vacation Bible School Clinic at Caraway; and the Directors of Missions Conference at Wingate College.

I have also given time and assistance to the Building Planning Committee, Program Committee for the Annual Meeting, Nominating Committee, Finance Committee, World Missions Conference, and the Bold Mission Conference for the association. Associational programs that I have given publicity to have been: Pastoral Ministries Workshops, Christian Singles Group, Youth Night Sunday School Clinic, Evangelistic Rally, Pastor's Clinic, Men's Rally, R. A. Track Meet and Fishing Derby, and the Vacation Bible School Clinics. I continue to serve as a member of the State Sunday School Task Force. I will be going to Atlanta October 30 - November 1 for a Church Planting Seminar.

Let me share with you some foundational principles which should undergird our cooperative work and guide us in reaching worthy goals:

- That each church shall be happily related to her sister churches through this association.
- That this association shall understand and fill its role in Baptist life and kingdom work.
- That this association shall be a demonstration of the reazl meaning of the saints if the spirit of Christ.
- That this associatioin shall be a demonstration of how Christians called Baptists can study, think, pray, and love themselfes together on the great doctrines of our faith.
- That this association shall be served by leaders who are qualified, respected, and followed.

SUNDAY SCHOOL REPORT
1977 - 1978

Sunday School is to play a vital part in our Bold Mission effortsd in the next few years. We have been asked to increase our enrollment 150,000 or about 22% by 1982. Now this is possible and I feel God would put His approval upon our seeking to enroll more people in Bible Study. But to do so, there are several things necessary on our part.

First, one thing we will have to do is to see that what we are **doing** on Sunday morning at 10:00 A.M. is of upmost importance.

You see our society is a busy one, it is filled with all kinds of activities, duties, and responsibilities. It is a time when most of us feel that it is impossible to do all the things that need to be done. Therefore, we are forced to choose those things we feel are most important. Since this is true as we come to see what is happening at 10:00 A.M. in Sunday School is important that teachers and class members will give it priority over other things.

Second, for Sunday School to play a vital part in Bold Missions we will have to come to see it **meeting** a vital need in today's world.

To see the needs of our day pick up most any newspaper and read what is going on around us; crimes, fraud, conflicts, family problems and conflicts of all descriptions. Then talk with people around you and you will find stress and inner pressures growing to an almost unbearable state. Never before in history has mankind needed what is found in God's word as he does today. God's word speaks to human needs, deals with moral problems, gives instructions as to how to live, tells how to get along with one another, tells how to deal with stress and pressures and comforts our broken hearts. It meets the kind of needs that people have in today's world.

Third, for Sunday School to play a vital part in Bold Missions we need to be **willing** to use every channel available to reach people.

Our Sunday School Board has made available a number of good usable suggestions for reaching people that we need to use. One is the Action Program some churches have reported tremendous success with. Two is our High Attendance Day; we have found out those who set goals and work towards them reach more people. Three is our Start-A-Class emphases. We have found that most churches have enough church members not in Sunday School to start a new class. Then there is the new Bible Book Study that looks good and could create some new interest in Bible study.

Think how much better the world would be if each person knew how God wanted him or her to live and then tried to live that way. This is one of the things that Sunday School seeks to do.

Hugh Biggers

EVANGELISM REPORT

The Psalmist said in 142:4 "...refuge failed me, **no man** cared for my soul". The question is not whether or not God cares but that man doesn't care. If our Bold Mission Thrust is successful, the attitude of God's People must change from apathy to agony; from callousness to compassion.

A significant goal is Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook - **Bold Evangelism Through the Local Church** - to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the state.

"The Evangelism Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditoruim, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church member in bold evangelism.

Four summer youth evangelism teams preached in one week youth revivals and directed youth witness trainng in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

About 12,000 youth, pastors, and adult leaders were expected for the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta, was the preacher; Richard and Judy Bradford, Albuquerque, New Mexico, were the soloists, and other youth shared on the program. Follow-up work is always assigned to pastors with all youth who make decisions.

Churches are encouraged to become more involved in Renewal Evangelism. The Divison of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism.

Excellent reports on revival meetings, city-wide crusades, and associational evangelism clinics have been received. There has been a good response to associational youth evangelism emphases.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

During the year our Association held an Evangelistic Rally at Reeds Baptist Church in March with Jack Price as the guest soloist and speaker. There were many commitments to Christ in that service. Also an evangelism clinic was held at Rich Fork Baptist Church in March with Bill Lamb and Richard Everett from our state department.

Let us accept the challenge of doubling our Baptists in 78-79 but let us remember how important it is to build quality into the quantity so that the fruit will remain.

Respectfully submitted,
Melvin Green

HISTORIAN'S REPORT

In compliance with a resolution passed by the association, and following the custom of the past several years, we bring to you in this session a history of the churches serving as hosts for this year. This report includes formation on the history of Rich Fork, Calvary, and Tyro Baptist Churches. Appreciation is hereby expressed to those individuals responsible for gathering, condensing, and organizing the historical data which follows.

RICH FORK BAPTIST CHURCH - 1884 - 1977
PREPARED BY MRS. AUBREY BOWERS

Eighteen persons met together in a log house about three miles west of Thomasville, on December 30, 1884, and constituted the Rich Fork Baptist Church. This church was the result of a meeting conducted in the community by two "Protestant Methodists" from High Point, Mrs. Talbert and Miss Martha Jones, and the occasional services held by Elder Hezekiah Morton of Thomasville Baptist Church and others.

The charter members came from Thomasville Baptist Church and Thomasville (Mills Home) Orphanage which had no church at this time. Rev. H. Morton was called as the first pastor, part-time, on May 23, 1885. Even before the church was organized the group (on November 26, 1884) decided to build a meeting house, 28' x 38', with two aisles and two front doors.

The first delegates to the Liberty Baptist Association were elected July 25, 1885: "Brethren Leigh, Sapp and Walter Fitzgerald". William Bowers, who came from Liberty Church on March 31, 1886, and W. S. Kanoy were the first deacons, elected April 17, 1886. The two deacons along with the new pastor, Henry Sheets, selected a graveyard at the northwest corner of the meeting house. At the first protracted meeting in September, 1886, ten persons were received into the church. Eight of these were baptized in Huntsfork Creek on September 24.

John H. Mills, founder of Mills Home and donor of the property for Rich Fork Church and cemetary, was the church's first delegate to the State Baptist Convention; he was appointed November 3, 1886.

Elder C. C. Newton from Africa is the first missionary reported to have spoken at Rich Fork; he preached on March 25, 1893. In November 1893, Pastor Newton asked help to start a mission "beyond Rich Fork Creek".

Mills Newton was perhaps the first delegate to a Southern Baptist Convention; he was sent in 1920 to the meeting in Washington, D. C. In May 1923 after the coming of W. L. Barrs a motion was made to build a new church. Begun in December 1924, and finished in 1926 the cornerstone was laid in May 1927.

Clyde Edinger, the first minister to come from Rich Fork Church, was licensed to preach December, 1929. He was ordained January 1, 1933. A budget was approved in December, 1931, and regular treasurer reports began in 1932.

In 1935, action was taken to build a parsonage. T. W. Bray was pastor when the church voted to go full-time on November 1, 1940.

On August 22, 1948, a vote was made to study additions to the building. Land was purchased from Wilbur Bowers.

The departmentized Sunday School was begun in April, 1950 with completion of the educational building. A building fund for the future was begun in June, 1953.

Jimmy Edwards was licensed in March, 1955. Plans for additions to the education building were approved in March, 1956, and in December a vote was taken for a picnic shelter. Support for Hasty Mission was approved in May, 1957. Richard Conrad was called to direct church choirs and remained until September, 1961.

Rotation of Deacons was approved in September, 1958. Church council meetings began in January, 1961, and Martha Joyce Kepley was employed as the first secretary (part-time).

On May 6, 1962, the congregation voted to call James Helvey, Jr., as pastor. He moved on July 4. The parsonage was covered and insulated in the fall of 1962.

Church policies were confirmed in January., 1963. A By-Laws Committee was elected and also a Planning and Survey Committee, with James Beck as Chairman, to study building needs. The building of a picnic shelter was approved in April, 1963, and completed that fall.

Adrian Stout was employed as an architect in March, 1964, and plans were made for renovating the sactuary and building a new Educational Building. The sanctuary was remodeled that summer with morning worship services convening at Pilot School. A new entrance was added in the Spring of 1965 and work began on the educational unit that fall; it was completed by December of 1966 at a cost of about $100,000 including furnishings and paying with a loan of seventy-five thousand dollars from State Commercial Bank. As part of the new educational addition to the church, the first library was started in 1966, with Mrs. John Clodfelter as Librarian. The educational unit was dedicated May 28, 1967, at the time of the annual Homecoming with Dr. Lois Edinger as the guest speaker. Liquidation of the debt was in August, 1975.

On November 24, 1968, the congregation voted to call Melvin Greene as pastor. His first service was on January 1, 1969. Jimmy Edwards was ordained in 1970, and became pastor of Floyd Baptist Church. Pam McCall was called as a part-time Youth Director on October 18, 1970, and served in this capacity until March 28, 1971. Pastor and Mrs. Greene were sent on a tour of the Holy Land, by the church, for ten days beginning December 27, 1971.

Richard (Mugsy) Davis was called to be a part-time Minister of Minister and Youth on April 16, 1972, the congregation voted to employ hime full time beginning January 1, 1972. He resigned, effective December 15, 1974, to attend New Orleans Theological Seminary. On November 10, 1974, Danny dalton was called as Associate Pastor in charge of music and youth. He began January 1, 1975.

Several men have been licensed at Rich Fork including Hoyle Tate, 1972; Bobby Williard, 1975; and Jimmy Summey, 1976. The installation of a sound system for the church was approved on January 14, 1976, at a cost of approximately $6,300. A further expansion of services, Children's Church, was begun in April, 1976, with Melanie Price as Director. During the spring of 1976, the Jim Beck Scholarship Fund was established to be given annually to a young person going into full-time Christian service.

The purchase of the Burton Veach home on I-85 for the new parsonage, at a cost of $46,500 (including installation of air conditioning) was approved in September, 1975. The loan was paid off and note burning was June 25, 1978.

The congregation voted to send Pastor and Mrs. Green to Ghana, Africa, in January, 1977, to participate in revivals by invitation of the Foreign Mission Board. Rich Fork Church has been instrumental in building three churches in Ghana and helping supply material for the Pastor's School in Tamale.

CALVARY BAPTIST CHURCH

INFORMATION FURNISHED BY MRS. CLARA CARLTON

Calvary Baptist Church was chartered August 19, 1951, having begun earlier as Eastside Mission. The first pastor was Rev. Howard Carlton.

Around 1953, the church purchased four lots on Thomason Street in Lexington, on which a church building was erected. Rev. Bill Freeman became

pastor of the church August 16, 1953.

The present parsonage on Beckner Street was purchased November 3, 1957 and Rev. John C. Mangum became pastor on November 12th. Rev. Mangum served until September 15, 1963.

While Tyro Baptist Church was still a mission, Calvary voted to co-sponsor the mission along with Yadkin Baptist Church.

Rev. Vance Edwards served as pastor from December 29, 1963 until 1967.

Rev. Frank Hendley, the present pastor, came in 1967.

It was in the spring of 1969 that a new building was completed at the present location and the congregation moved from the old location on Thomason Street

TYRO BAPTIST CHURCH

INFORMATION GATHERED BY: MRS. EMMA BOWMAN CRUSE

MRS. PEARL CORNATZER

Sometime in late 1959 or early 1960, a young man, Rev. Bryson Bigby, from the Yadkin Baptist Church in Rowan Association felt the call to come to Tyro and hold a tent meeting. It was from this endeavor that on May 12, 1960, the Tyro Baptist Mission was organized.

Rev. Bigby later felt the need for a better education and resigned his work with the Mission in order to go to school.

September 3, 1961, Rev. Tommy Walls and his wife, Mary, joined the Mission and on the same day Rev. Walls was called as pastor of the Mission. The following Sunday Rev. Walls held his first service with twenty-five charter members, namely: Tommy Walls, Mary Walls, Bob Mauldin, Mazie Mauldin, Danny Mauldin, Shirley Mauldin, Caleb Aldridge, Blanche Aldridge, Nancy Aldridge, Paulette Aldridge, Gene Aldridge, Dot Aldridge Joyce Lane Aldridge, Bertie Jones, Jack Bowman, Ethel Bowman, Mae Owens, Charles Owens, Floyd Owens, Buster Owens, Phronia Mauldin, W. D. Beckom, Virginia Gathings Beckom, Richard Owens and Robert Owens.

By this time the Lord had provided a building through the generosity of the J. E. Grubb family, who gave the use of their old homeplace on Highway 150 in the outskirts of Tyro.

On January 21, 1962, the Mission was organized into Tyro Baptist Church. The organizational meeting was attended by representatives of nine sister churches and several officers of the State Baptist Convention and the Liberty Baptist Association. Rev. Leonard Rollins gave the charge to the new church. Rev. Walls expressed appreciation on behalf of the new church of the assistance of the Yadkin Baptist Church in supplying furniture, and to the Liberty Baptist Association for its help in organizing the church.

Some time later, land was bought for a new church building. The building was erected and the first service was held August 14, 1966.

Rev. Walls resigned the pastorate October 2, 1966 to become effective immediately. Rev. Jacob Sharpe was called as pastor December 18, 1966 and held his first service December 25, 1966.

From this original tent meeting in 1959 or 1960 has come a modern brick building located almost directly across the highway from where the tent meeting was held.

God had been good. He has supplied the church with a good pastor, Rev. Sharpe. Some older members have gone on to be with the Lord; some have gone to other churches; but in their places, new members have come in. The church now would say, "Thank you, Lord, for our many blessings," and to the many people who have helped the church along the way, "Thank you for helping to establish and strengthen the Tyro Baptist Church."

Church history and church records are very valuable and should be preserved for future generations. There is a free service provided by the Historical Commission to have these records microfilmed for safe keeping. For this service you may contact Mr. Woodard at the following address:

Mr. John R. Woodard, Director
Baptist Historical Collection
P. O. Box 7777, Reynolda Station
Winston-Salem, N. C. 27109

Following is a quotation from Tar Heel Baptist Footprints published at Wake Forest University by Mr. Woodard:

"We welcome the opportunity to preserve the personal letters, dairies, and other memorabilia of any of our North Carolina Baptists. When we receive a collection of materials, these are carefully arranged, placed in specially treated folders and stored on document boxes. Should the original materials not be available -- in a permanent basis, we have facilities for copying and would like very much to have the opportunity to do this. IF YOU KNOW OF SOMEONE WHO HAS VALUABLE HISTORICAL MATERIALS, please put us in touch with them."

AMERICAN BIBLE SOCIETY REPORT

Since its founding in 1816, the only goal of the American Bible Society has been to translate, produce, and distribute the Scriptures to people everywhere in a language they can understand and at a price they can afford. In 1977 more people were reached with God's Word than ever before in Bible Society history.

The American Bible Society, and its partners in the United Bible Societies, distributed for the first time in a single year over 400,000,000 Scriptures in 150 countries.

Gifts from individuals to the American Bible Society rose only three per cent in 1977 over the gifts received in 1976. Gifts from churches moreover declined. There was a decrease in the Southern Baptist Convention contriubtions in 1977.

If the 12,733,124 members of the Southern Baptist Convention were to raise their level of annual support from the present, which is $.022 per member to $.04 per member, the Bible Society will be able to provide the Scriptures needed by the Southern Baptist Convention in its global ministry.

During the year 1977 three new countries, Greece, Liberia, and Senegal, were added to the list of nations in which new reader programs - programs developed for people who read at different levels - have been started. Complete New Testaments appeared for the first time in many countries during 1977. Much of the success achieved for the Bible cause in 1977 was due to the untiring efforts of more than 30,000 American Bible Society volunteers who carried out local distribution programs in hospitals, schools, jails, missions, and places of business.

The American Bible Society asks for our continued prayers so that together with the churches of the Southern Baptist Convention and all willing Christians everywhere, our combined efforts to bring His Word to all those who are in desperate need of it will be blessed by God.

Respectfully submitted,
Lionel B. Wall

ANNUITY BOARD REPORT

The year 1977 was one of contrasts for the Annuity Board. While the Board grew markedly in new retirement and insurance accounts, investment earnings suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants' checks. The increase was retroactive to January 1.
2. A total of $19,085,316 paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs exceeded $12 million.
3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942 - including relief. Total assets climbed to $498,977,661, compared with $473,142,631 a year earlier.

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program. In Liberty Association 32 churches and 40 staff members are participating in the retirement program. The Association is also participating for their Director of Missions.

Report of The Baptist Children's Homes of North Carolina, Incorporated

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

NEW COMMUNITY -BASED SERVICES

Requests are coming to the Homes from various sections of the state for additional community based services(such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

VARIETY

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the piedmont area, Mills Home, foster home services emergency care at Burlington and Charlotte, the high adventure program at Wall Home, the Child Development Center on the Mills Home campus, programs of crisis intervention, counseling, and family education fill a particular need in this area of the state.

QUALIFIED STAFF NEEDED

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

GRATITUDE

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

LAST YEAR FOR OFFERING

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

ONE MILLION DOLLARS

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000(one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

BAPTIST FOUNDATION REPORT

A survey in serveral counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studies in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30 percent of the decedents died without a written will.
2. Very little was provided for the church or any charitable cause through the wills that were probated (Six-tenths of one per cent was given to *all* charitable causes and only 65 one-thousandths of one per cent was left to all Baptist causes.)
3. 45 per cent of all assets were left either to husbands or wives, 37 per cent of all assets were left to children by parents, and 27 per cent was left to grandchildren or other persons.
4. Based on resident Baptist population in the state, a tithe of the estates of Baptists that die each year would provide in excess of $10,000,000 additional dollars annualy to the support of Christian missions and ministries carried on by our churches and denomination.

Baptist who believe in Bold Mission endeavors should:

1. Prepare a will or have their will updated.
2. Provide for their church pledges and commitments to be fulfilled through their will.

Seriously consider a tithe of their estates to a Christian cause.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

Respectfully submitted,
Carl Hemphill

BAPTIST HOMES FOR THE AGING REPORT

North Carolina Baptist have the following Baptist Homes for the Aging:

1. Resthaven - located in Winston-Salem, with space for 16 residents.
2. The Hayes Home and the Nursing Care Unit - in Winston-Salem, with space for 46 residents, and 79 patients. The Nursing Care Unit serves all five of our Homes, and will serve the Western North Carolina Baptist Home. Patients are transferred to this nursing facility when long-term nursing care is needed, either for intermediate nursing care, or skilled nursing care.

There is also a duplex apartment complex at the site of the Hayes Home in Winston-Salem, with space for 129 people.

3. The Albemarle Home - in Albemarle, with space for 30 residents.
4. The Hamilton Home - in Hamilton, with space for 28 residents.
5. The Yanceyville Home - in Yanceyville, with space for 31 residents.

6. The Western North Carolina Baptist Home - in Asheville, with space for 50 residents now under construction.

This means that there will be accommodations for 300 people in all of our six Baptist Homes, the Apartment Complex, and the Nursing Care Unit, when the Western North Carolina Baptist Home in Asheville is completed.

This lovely facility is now under construction, and it is anticipated that it will be complete and ready for occupancy by February 15, 1979.

Our Baptist Homes for the Aging have received vital support from our more than 3400 Baptist churches through two vital sources:

1. The Cooperative Program, which supplies about 8 percent of our total budget.

2. The special offering, which supplies 16 per cent of our total budget.

We are grateful for these gifts and for every church and every person who has had a part in making them possible.

BAPTIST HOSPITAL REPORT

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing anuerysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will aslo be used in staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another satellite center;

this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

The Mother's Day Offering for Liberty Association, January - June, 1978, is $6,337.34 from 27 churches.

CHRISTIAN HIGHER EDUCATION REPORT

I have been given both the responsibility and privilege of sharing a "Report on Christian Education." Of necessity, a report of this nature must be brief and, as a result, it is always "incomplete." I have drawn from material provided by the Education Commission of the Southern Baptist Convention and the Council on Christian Higher Education, Baptist State Convention of North Carolina. I have attempted to share the facts, figures, attitudes which I believe are of greater interest to you. I believe that you will agree with me that we have reason to rejoice and to be encouraged by the mission and ministry of Christian Education.

During the past ten years Baptist colleges have increased their enrollment by more than 30 per cent, which is far above the national average. During this same period Baptist colleges, although experiencing some financial difficulties, stand high above the national average in sound fiscal management and solvency.

The state conventions and Southern Baptist Convention increased their 1977 support to the schools by $4,615,202 for a total of $40,299,281. In addition to operations and capital needs support, $580,467 was given as addition to endowment funds. Donations, gifts, and grants totaled $43,360,869 for an increase of $5,789,343. Endowment funds amounted to $391,599,485. Property was valued at $764,840,835, making assets a total of $1,156,440,320. This is an increase of $98,151,316 over last year.

During this past year, the Education Commission continued to implement the Mission Support program adopted by the Commission and the Association of Southern Baptist Colleges and Schools in 1971. National meetings have been held between Baptist college presidents, the Foreign Mission Board, the Home Mission Board, and Woman's Missionary Union. The goal for all our Baptist colleges has been to make missions a matter of total institutional policy. Baptist colleges and schools are giving enthusiastic backing to Bold Mission Thrust. Church vocation volunteers increased to 21,676 for 1977-78.

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university; Campbell, Chowan, Gardner-Webb, Mars Hill, Meredity, Wingate, and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time

enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis a vital and successful ministry.

CHRISTIAN LITERATURE REPORT

The greatest challenge that Southern Baptists will ever have is the next five years, 1978 through 1982. This door is opened to us by the "Bold Mission Thrust," and the success of the Bold Thrust is yet to be determined. The message must be motivated in such a way that we will grow from 13 million to 26 million Southern Baptists, and we will grow from 35,000 churches to 70,000 through the "Bold Mission Thrust."

The best way to attain these goals for North Carolina Baptists is through the Biblical Recorder. Think about it for a minute. What if there were no Biblical Recorder? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and forsight of Baptist leaders back in 1833, the Biblical Recorder has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the Biblical Recorder is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina, but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the Recorder pay? Recently the Recorder published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty nine of the 50 had a good Recorder Club, many of them sending the Recorder to every resident family. The Biblical Recorder has a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the Recorder through the church budget at a cost of only 6 cents a week. Everyone benefits when the Recorder goes into every home.

With the dripping wet news media in North Carolina, our Baptist people must depend on the Recorder for information about such matters as liquor by the drink. This is only one reason for every church to have a good Recorder club or put it in the budget.

Christian parents should see that Christian literature is always available in each home. Our Baptist Book Stores have the best possible books and literature. Visit one soon and see for yourself.

Other Baptist periodicals include Home Life, The Commission, Home Missions, and Charity and Children. Many other magazines for Sunday School, Christian Training, Music, Library, Recreation, Brotherhood, and W.M.U. are available for our use and study. We indeed as Southern Baptists are fortunate to

have the best Christian literature. May we use it wisely and grow as Christians as we involve ourselves and our churches in the "Bold Mission Thrust."

C. W. Pierce

FOREIGN MISSIONS REPORT

Primary in Southern Baptist overseas missions is the sending out and maintaining of missionaries through the channels of the Foreign Mission Board. As of January 1, 1978, Southern Baptist were in 90 countries, with a missionary staff of 2,776 (including 2,365 career missionaries, 217 associates, 183 journeymen, and 11 special project workers).

In a thrilling response to the Mission Service Corps and Volunteers in Mission programs, a total of 2,413 people in addition to the missionary staff went overseas in 1977 for periods of auxiliary service ranging from two weeks to one year.

In 1977 membership of Baptist churches in conventions to which Southern Baptist missionaries relate exceeded 1,000,000 for the first time. More than 500 new churches were organized during the year, and there were 98,715 baptisms.

In 1977 Southern Baptists gave more money for foreign missions than ever before, a total of $57,918,817. The Cooperative Program and the Lottie Moon Christmas Offering plus special gifts provided the financial support for Foreign Missions.

Southern Baptists gave a total of $889,190.46 for world hunger and disaster response during 1977. The Foreign Mission Board disbursed a total of $976,993.85 for hunger relief and disaster response purposes during the year. The funds went to 28 countries for a variety of needs: distribution of food supplies, seeds, milk, buying agricultural items, digging wells, repairing churches demolished by earthquakes, providing medical supplies and kits, aiding in self-help projects, and many other relief actions.

Evangelism and church development, educational work, publication ministries, medical work, and social service ministries have been and continue to be integral parts of the Southern Baptist overseas missions. Stronger continued emphasis will be placed on these efforts as the Foreign Mission Board meets the challenge and objectives of the Bold Mission Thrust in foreign missions: to provide every person on earth the opportunity to hear the Gospel by the close of the century. Doubling of the missionary staff and an increase in lay involvement are of major importance. In lands where missionaries cannot reside, radio and the printed page will be used to communicate the Gospel. Large-scale efforts in evangelism in urban centers and among youth will offer opportunities to churches and conventions around the world as Southern Baptists become personally involved in these efforts. Emphasis on church growth calls for leadership training and reinforced Christian education.

Bold Missions depends on our response to the challenge of Bold Growing, Bold Giving, Bold Going, Bold Doing, and Bold Praying. Let our response be Bold!

Respectfully submitted,
Mrs. Gilmer Cross

HOME MISSIONS REPORT

Bold Mission Thrust - the Southern Baptist Convention's plan to reach the nation for Christ - occupied a top spot in the attention of staff, missionary personnel, and directors of the Southern Baptist Home Mission Board during 1977. The Home Mission Board devoted considerable attention and effort in the implementation of Bold Missions Thrust plans. The agency provided special staff consultants to work with local forces in planning strategy and coordinating the use of resources. In 1977, Phase One of the concentrated effort gave attention to six metropolitan areas and some sixty counties.

As a result of action by messengers to the 1977 Southern Baptist Convention anuual meeting in Kansas City, Missouri, the Home Mission Board is now deeply involved in developing procedures and recruiting volunteers for the Mission Service Corps. Mission Service Corps has a goal of enlisting 5,000 volunteers to serve for one or two years, either in the United States or abroad, in an effort to reach the objectives of Bold Mission Thrust.

The year brought notes of sadness, but also notes of victory as two great leaders died. Courts B. Redford, executive secretary of the Home Mission Board from January 1, 1954 to December 31, 1964, died April 11, 1977. Arthur B. Rutledge, executive director-treasurer from January 1, 1965 until December 31, 1976, died November 23, 1977, three new positions were added. During the year, the missionary force increased 338, growing to 2,830 persons under appointment.

Again during 1977, financial support of the work of the Home Mission Board was outstanding. Cooperative Program gifts increased 15 per cent and contributions to the Annie Armstrong Easter Offering for Home Missions gained 11.58 per cent. The Annie Armstrong Easter Offering provided $10,745,968.

During the year, the 14 program areas and six support sectors performed a number of functions. They are: Evangelism Development, Personal Evangelism, Mass Evangelism, Chaplaincy, Church Loans, Associational Administration Service, Metropolitan Missions, Rural-Urban Missions, Christian Social Ministries, Church Extension, Cooperative Ministries with National Baptists, Interfaith Witness, Language Missions, Pioneer Missions and Special Mission Ministries.

We have the means, the message of our Savior, and the know how to reach our nation for Christ, but it is up to all to renew our vows and commit ourselves to the task which lies before us. It is a must that we all become involved in the Bold Mission Thrust. Then we can carry out the Great Commission of our Lord and Savior, Jesus Christ.

Respectfully submitted,
Doris L. Eddinger

STATE MISSIONS REPORT

The year 1977 was a year of new beginnings in the area of State Missions. For many years State Mission Offerings have been overshadowed by our Foreign and Home Mission Offerings, and very little emphasis had been given to this offering. In 1977-78 the door to Bold Missions was opened by the actions of our State Baptist Convention, and in the raising of over $900,000, which was an increase of 250 percent over the 1976 State Mission Offering. Although this was short of the goal of $1,385,000, we were able to save an estimated $218,000 in interest

payments over the life of the debts that were paid with this offering. Approximately 1,000 volunteer workers banded together to make possible this great achievement. We just priase and thank our God for what has already been accomplished in our new emphasis on State Missions.

This year we move into a Bold Phase II of our debt retirement program in State Missions. The goal has been set at $1,200,000. In meeting this goal, we can provide $201,000 for direct ministries which we have been supporting for many years, as well as $930,500 for debt retirement which will completely eliminate all North Carolina Baptist Convention debt. Then, in years to come all of this money will be available for church programs, missions, evangelism, aid to churches, our schools and social ministries, and the many specialized ministries that are suffering now from the lack of sufficient funds. In years to come, we would like to be able to look back and see that this was truly a Bold Mission that can grow to be great in the sight of God.

We would say a hearty "thank you" to all the churches for what they have already done, and for what they are doing and for what this challenge will help them to do in the future. Let's get State Missions in its proper place in our thinking and our working with a real Bold Gift this year. Let's lengthen our cords and strengthen our stakes" for the Bold Worlwide Mission that is ours.

Mrs. Ronald Beck

That, when a church desires to put forth a condidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

EXECUTIVE COMMITTEE REPORT

In accordance with the adopted calendar of activities, and in keeping with the provisions of the constitution, quarterly meetings of the Executive Committee were held during the past year. One called session was held in the middle of the summer to deal with completion of the Associational office, and make some decisions related to financial responsibilities. All the meetings were held in the chapel of the First Baptist Church of Lexington. A period of devotion opened each of the regularly scheduled meetings. Organizational reports were given, promotional materials and information were shared by the Director of Associational Missions, and any necessary items of business were considered by the body. A summary of these meetings is hereby given, with specific emphasis given to the business matters involved.

The first meeting was on November 20, 1978. The treasurer's report indicated that monies designated for building (including the Building Fund and Savings) totaled $15,950.26. The checking account balance was reported at $5,410.68. Organizational directors presented reports. Rev. Lamar L. Moore, chairman of the Building-Planning Committee, reported that the committee had met twice. A building permit had been secured and the building location had been determined for the property. Plans were made for a work day following the Pastor's Conference on Monday, November 27. The Director of Missions presented his report, which included two requests for financial aid from the N. C. Baptist Convention. The first was for pastoral aid to the Faith Church in the amount of $20.00 per month during 1979. The second was for supplement to the salary of the Associational Director of Missions in the amount of $672 for the year. Both were unanimously approved.

The second meeting was on January 22, 1979. The Vice-Moderator, Rev. Warren Kerr, presided. The treasurer's report revealed a Building Fund total of $16,213.38. Following other organizational information, Miss Betty Bradshaw announced plans for the Annual W.M.U. meeting at Liberty Church. Mrs. Barbara Brock, former missionary to Brazil, was to be the mission speaker. Mr. Marvin Lyon shared a concern from Baptist Men for volunteers in several mission endeavors. Mr. Harry Gilbert shared information from the Music Clinic held January 9 at Park Place. The Director of Missions noted that the Lottie Moon Offering had surpassed last years report in the Association. The Chairman of the Finance Committee made a request for authorization to purchase a typewriter for the Director of Missions office. This was approved. Copies of the 1978 minutes were distributed to the church representatives after the meeting had been adjourned.

The third meeting was on May 28, 1979. Rev. Hugh Biggers, Associational Sunday School Director, noted that 9 churches had made commitments for the Bible Venture Campaign, scheduled for October 20,

1979. An invitation was extended to others to consider participation. The W.M.U. Director announced that two young ladies from the Association had been awarded college Acteen Scholarships for the following school year. It was reported by the Missions Committee that a letter would be sent to each of the churches in August stating the requirements for maintaining membership in the Liberty Association. A Building Committee report projected a completion date for the new Associational office building within the next 30 days. Churches were requested to increase their Associational gifts in budget planning for the new year in order to include payments, utilities, and maintenance on the new building. It was recommended, and approved, that the Moderator, Rev. Max Evington, be asked to represent our Association at the meeting of the Baptist Convention's General Board meeting on May 29-30. This was because our representative, Rev. John Pace, had suffered injuries in an accident on March 10 and would not be able to attend. A request to the Baptist State Convention was approved asking for pastoral aid in salary supplement for the Currytown Church in the amount of $100 per month. A certificate of appreciation was presented to Morris Hollifield from the denominations Mission Boards for serving as Director for the Associational World Missions Conference, October 8 - 15, 1978. Following some discussion, a motion was made that the Program Committee for the Association make plans for a dedication service for the new office building. The selected date was Sunday, September 23, which would be the Sunday prior to the annual session. The meeting was closed with a period of prayer for Brother John Pace.

On July 16, 1979, the Executive Committee met in called session for the purpose of making arrangements to secure approximately $2,000.00 to complete the work on the new office building and grounds. The gifts from the churches plus the $30,000 which had been borrowed, had been expended. It was believed that the additional funds would complete paving, shrubbery, and landscaping. After due consideration had been given to needed equipment and furnishings, it was determined that $5,000.00 would liquidate the indebtedness and purchase all necessary equipment. Rev. D. Hoke Coon,Jr., made a motion that the Building Committee and Trustees be authorized to secure those funds and proceed to plan for a completed building on the day of dedication and open house. This was approved and the meeting concluded.

The fourth and final meeting before the annual session was on September 10, 1979. The Chairman of the Finance Committee reported that approximately $1,000.00 had been received in Building Funds from the churches since the July meeting. The Abbotts Creek Church had offered a loan of $4,000.00 from the Abbotts Creek Cemetary Fund, and with these two sources of funds the Associational building had been completed and all other indebtedness had been liquidated. A request was made for the churches help in repaying the loan from Abbotts Creek as rapidly as possible. Mr. Dothan Reece noted in the treasurer's report that the receipts from the churches had reached an all time high. The Rev. John Pace was welcomed to the meeting, this being his first time back after prolonged recovery. The N. C. Missions Offering was stressed with announcements about available materials. Invitations were extended to the dedication service for the new office building. Following the presentation of

promotional materials and information by Mr. Rollins, the meeting was adjourned.

Respectfully submitted,
Morris S. Hollifield
Associational Clerk

DEDICATION HELD FOR NEW ASSOCIATIONAL OFFICE BUILDING

Sunday Afternoon, September 23, 1979

Open House and Dedication Services were held at the new office building of the Liberty Baptist Association today. The service was at 3:00 P.M., followed by refreshments and open house until 5:00 P.M.

Because of cold, cloudy weather and a threatening mist, the service was held in the large conference room. The Rev. Melvin Greene, chairman of the Program Committee, introduced the program participants to a capacity standing crowd. Mr. Al Martin led in singing 3 stanzas of "Amazing Grace." Rev. Carl Hemphill led the opening prayer of dedication. Rev. Lamar Moore, Building Committee Chairman, spoke briefly. Mr. Gene Smith, one of the building contractors and a member of the Reeds Church, spoke on behalf of the builders. Dr. Cecil A. Ray brought a message, stressing that our example for dedication is found in the life of Christ. He stressed Christ's purpose, His method, and His commitment. Mr. Rollins thanked and recognized the Building Committee, Mrs. Gladys Barger for making the drapes, Morris Hollifield, Lamar Moore and Nyal Yarborough for moving the office equipment from North Lexington, and Malcolm Myers for grading the lot. Rev. Max Evington, Moderator, concluded the meeting with prayer. Refreshments were served by the Associational W.M.U. leadership.

REPORT OF DIRECTOR OF MISSIONS

Your Director of Missions has been in all forty-three churches for at least one service during this calendar year. In addition to regular preaching services, I taught the Gospel of Mark at Stoner's Grove, Park Place, and at Liberty. I taught the Home Mission Study to 254 people in fourteen churches in and outside the association. I have assisted a number of our churches while they were without a pastor, and at least two where the pastor has been ill.

I have participated in the following special events: Fortieth Anniversary at Park Place; special service honoring retired pastors and a revival conference at Rick Fork; stewardship loyalty dinner at Thomasville, First; spoke to deacons and wives at Churchland; spoke to Baptist Men at Stoner's Grove and Reeds; participated in ordination services at Rich Fork, Coggins Memorial, Denton, First, Victory, and Southgate; spoke to Sunday School officers and teachers at Denton, First; and spoke on associational missions at Mills Home.

Outside the association, I spoke at a Sunday School banquet at First Baptist Church, Dunn; conducted a funeral service in Madison, North Carolina; and spoke at a sunrise service in Birmingham, Alabama.

I have also given time and assistance to the Building Committee, Program Committee for the Annual Meeting, Nominating Committee, and Finance Committee.

Publicity and promotion are being given now to our associational W.M.U. - Brotherhood Rally, a Bible - Venture Campaign, and the financing of additional furnishings for the associational office.

The key to the Baptist system is free churches and voluntary cooperation. Through the association, the State Convention, and the Southern Baptist Convention our churches may do mission work in the community, the state, the nation, or the rest of the world -*as little or as much as they are willing!*

In Liberty Association we need every church and every church member as we attempt to do "united what we cannot do apart!"

Respectfully submitted,
Leonard Rollins

WOMAN'S MISSIONARY UNION REPORT

The three year emphasis in WMU, TEACH MISSIONS, is history. This emphasis we feel has had good results. Last year in our report to the Annual Meeting, it was stated that WMU's desire was to start new organizations and to strengthen existing work.

The Associational WMU officers worked as a team this year. Perhaps one of the most important things the officers did was to attend the state led workshop at Mundo Vista. This enabled us to do our task more effectively.

These opportunities were ours this year:

1. To give personal assistance to church WMU leaders throughout the year.
2. To train leaders and members in the leadership conference last September at Welcome First.
3. To help in the beginning of new organizations. Victory Baptist began Girls in Action and Baptist Women, Mission Friends and Acteens was started at Oak Hill Memorial.
4. To provide information through mailouts. "Liberty Belle" is published each quarter and is sent to each church WMU director.
5. To plan age level meeting, special conference and a retreat. Fellowship, inspiration, information and training was provided as leaders and members participated in these events and activities.

The highlight of our year was the Annual Spring Meeting. This year we met at Liberty Baptist Church, April 9. Nona Kay Bickerstaff and Mrs. Bill Brock spoke to the 225 person from 31 church about "Publishing Glad Tidings". The offering at this meeting was used to purchase a filmstrip cabinet for the associational office.

Baptist Women Year in the Church has been a special yearlong emphasis designed to enlist more women in missions education.

A special project for WMU each year is to provide Christmas gifts for the N.C. Correctional Center for Women. Sixteen churches contributed over 200 pairs of earrings and notecards.

The WMU gave support and promotion to the Wold Missions Conference, the Weeks of Prayer and the special missions offerings.

Woman's Missionary Union will continue to find ways to improve our missions task and to enlarge the mission involvement in our churches.

Respectfully Submitted,
Miss Betty Ann Bradshaw

SUNDAY SCHOOL REPORT
1979-80

Our Sunday School Emphasis this year is reaching people through the Sunday School with all age groups studying books on reaching people through the Sunday School. I feel this is one of the pressing needs today and especially so if we are to follow the pattern of the New Testament Church.

So how can we meet the challenge or reach our goals? We have methods like the action program, reaching the whole family, reaching all church members, reaching people through Vacation Bible School, reaching people through door-to-door surveys, reaching people through cradle roll and reaching people through single adults, all of these are available for us to use to reach our goals.

Now add to these programs like the Bible Venture Campaign, Bold Growing Clinics, Action Enrollment Campaign and Outreach Skill Clinics and we could say we have the methods to do the job all we need is the dedication and motivation of our leaders to use every method available to get the job done.

The dedication and motivation from Sunday School Teachers and Leaders comes as a result of seeing their place of service as a channel for God to use to reach people. A good example of this is Mrs. H. E. Bennett, First Baptist Church, San Antonio, Texas who taught a class of seventeen year old girls for thirty-two years.

During that time 800 young women have passed through her class. For thirty-two years she doubled her enrollment during the first quarter (Oct., Nov., Dec.,). For thirty-two years she has never failed to triple her enrollment by promotion day. She has never failed to reach an attendance quota set by her superintendent on high attendance day. Her class business meetings have averaged ninety percent in attendance.

Of all who have gone through her class, eighty-five attended Baylor University and forty-five have studied in other colleges.

Her files reveal the following record on her class presidents through the years:

14. Have been in "WHO'S WHO" in colleges and universities in America

14 Graduated from Baylor University
3 married preachers
4 married lawyers
1 married an educational director
2 are Seminary graduates
4 are church pianists
6 are nurses and laboratory technicians
3 are doctors
2 are public school teachers
1 is a Texas University professor
1 is a foreign missionary
1 was youngest dean of women in an American College

There is no greater place of service for a church member than using your talents, abilities and your life to teach the Word of God. How could you better invest your life than to invest it in teaching, guiding, counseling, sharing and building a group of young girls or young boys into outstanding

American citizens. Building them to be effective servants of the Lord. It is one thing to teach a Sunday School Class and quite another thing to build a Sunday School Class. A church is never any stronger than its Bible teachers. A pastor's ministry is never any strongger than his Bible teachers. I believe as God makes up His crowns they will be filled with jewels - those jewels are those faithful, Spirit filled Bible teachers who through the years have been the "Salt of the earth and the Light of the world."

ASSOCIATIONAL EVANGELISM REPORT - 1979

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C. W. Ward of Raleigh. The committee requests prayer support of the churches for this effort to reach every person in North Carolina with the Gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook-BOLD EVANGELISM THROUGH THE LOCAL CHURCH -with the emphasis related to on-going programs of evangelism in the local church. Other associations need to plan a Bold Evangelism Clinic. Every church in all our associations are encouraged to double baptisms by 1982, or sooner.

Pastors and lay persons participated in an important seminar on GROWING AN EVANGELISTIC CHURCH during March 26-29 at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELLset and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across our state.

Churches and associations are now involved in Bold Revival Planning Clinics, using the *Revival Planbook for the Local Church, Counseling Guide,* and the *Follow-Up Manual for New Christians.* The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

Respectfully submitted,
John H. Pace
Chairman of Evangelism

A BRIEF HISTORY OF CHURCHLAND BAPTIST CHURCH
By - Mrs. Kirby Greene, Jr.

It is not definitely known when Baptists first came to North Carolina. The records show that the first Baptist Church organized in the state was at Shiloh in Chowan County in 1727 and consisted of thirty-two charter members.

There is no record of a Baptist Church in Davidson County until twenty-eight years later. The first organized Baptist Church in this immediate section of the state was at the Jersey Settlement near Linwood. This church was established in 1755; consequently, Jersey was the mother church of several other Baptist churches in this area, including Fork in Davie County, Lick Creek, Tom's Creek (now extinct), Holloways and Reeds Cross Roads.

Just when preaching was first begun in the Churchland Community is not known. The records show as early as 1803, Benjamin Abbotts, in consideration of five pounds ($25.00), made a deed of conveyance for a two acre tract of land upon which to build a meeting house. This deed was made to a board of trustees representing four denominations;namely, Presbyterian, Lutheran, Methodist and Baptist. They were known by the name of "Revival Congregation." The Baptists had no church organized as such until about thirty years later.

May 17, 1837, a Baptist Church was organized in the community with eleven charter members, and was called the Pine Meeting House Baptist Church. At the June meeting, Rev. Joseph Pickler was called as pastor and he continued to serve the church for three years. According to the records, the Baptists continued to worship in the union church building which had been erected on the two acre tract of land mentioned above. This is now the old cemetery opposite the Primitive Baptist Church. The building on this

tract of land, erected by the "Revival Congregation", was 20 ft. wide by 40 ft. long, built of logs, with a gallery for the slaves to occupy during the worship service.

During the year 1875, the Baptists erected a more adequate house of worship on a separate tract of land which was donated by John Barnes and Henry Clement. The name of the church was changed to Piney Baptist Church. The parsonage now stands on this location.

About this time the church membership began to realize the value of Sunday School and mission work. The church grew rapidly and in a short time a full time Sunday School was maintained and the church was supporting all mission causes fostered by the denomination.

The church also felt the need for Christian education, In 1903, its thirteenth pastor, Rev. J. M. Bennett, a resident of the community, called a community meeting to discuss the possibilities regarding better educational advantages for the young people of the community. As a result of this meeting, Churchland High School was organized with S. G. Hasty, a young Wake Forest College graduate, elected as the school's first principal. Mr. Hasty continued in this position for fifteen years. Under the leadership of Mr. Hasty, the school became a large boarding school, partly maintained by the state. Through the cooperation of the church and school, many young people of the community, as well as many from adjoining counties, were provided a Christian education in many professions. A large number of boys from Churchland went out to preach the Gospel.

In 1918, under the leadership of the pastor, Rev. J. T. Gillespie, the church had its first Sunday School training course. "The Sunday School Manual" was studied and immediately following the study, the Sunday School was graded and the church found a great need for additional space for class rooms and more adequate equipment. After prayerful consideration, the church voted to erect a new building consisting of an auditorium and eight Sunday School class rooms. The lot on which the present building stands was donated by Mrs. Mary E. Leonard. The building was completed in the spring of 1920.

The name of the church was again changed; this time to Churchland Baptist Church. Soon after the new church was completed, a Baptist Young Peoples Union (B.Y.P.U.) was organized. The organization has continued since that time; however, the name has been changed to Baptist Training Union to include adults, and now is known as Church Training. About the same time, the Womans Missionary Society (W.M.S.), with all auxiliaries, was organized and has become a strong part of the church.

Until 1946, the church had shared its pastor with another church, or churches, It was in 1946 that a seven room parsonage was erected and a full time pastor was called.

In 1951, the church realized the great need for more space for Sunday School class rooms and equipment, and approved a plan for a new educational building. The last Sunday in November, 1954, the new building was completed, consisting of more than thirty class rooms, a pastor's study, and many other facilities which provide space for a completely departmentalized Sunday School which the church now has.

On Easter Sunday, April 21, 1957, ground breaking services were held for a new sanctuary. In the same service, the church voted to adopt a constitution and by-laws. Work progressed rapidly on the new sanctuary. People donated many hours of labor, as well as money, and the new sanctuary was completed by October 20, 1957, which was Homecoming Day.

In 1963, the parsonage was remodeled and an additional wing was added, making it a comfortable nine room house.

The first church directory was prepared 1968. Another directory was issued in 1976.

Just before Easter 1973, the church parking lot was extended and paved.

The highlight for Churchland Baptist Church in 1974 was receiving the one millionth copy of the New Baptist Hymnal. A special ceremony was conducted by Dr. William Reynolds from the Sunday School Board's Music Department, and Mr. Charles Gatewood from the State Convention's Music Department. The new Baptist Hymnals were presented to the church by the Don Barnhardt family in memory of their son, Mike.

In the fall of 1976, this church, along with other churches in the county, participated in the Davidson County Crusade for Christ at the Davidson County fairgrounds. This was a time when many decisions were made for Christ.

In 1978, the church voted to install air conditioning in the parsonage and make other needed improvements. Open house was held in September to give opportunity to see the improvements that had been made. Also in 1978, Tom Carr was employed as the first Summer Youth worker for the church. In the same year, Mr. and Mrs. Taylor Nance, in memory of his sister, Annie, donated air conditioning units to be installed on the second and third floors of the educational building.

Early in 1979, plans were made to improve several areas of the educational building and grounds. All un-tiled areas in the basement were covered with tile and new lighting was installed. Shrubbery was planted in several areas on the grounds, all of which added to the beauty of the church property.

At the time the church has plans for a future building program for further growth and expansion.

Since the organization of the church in 1837, with eleven charter members, the membership has grown to 410. During the 142 years the church has had 34 pastors as follows listed in order of their service: 1. Joseph Pickler, 2. Azariah Williams, 3. John Cornish, 4. H. Morton, 5. S. F. Conrad, 6. William Turner, 7. Benjamin Lanier, 8. Aaron Yarbrough, 9. C. W. Bessent, 10. E. Allison, 11. William Turner, 12. Henry Sheets, 13. J.M. Bennett, 14. Thomas Carrick, 15. Jeff Lanning, 16. S.D.Swain, 17. J.F. Fletcher, 18. J. L. Carrick, 19. Ben Ingram, 20. J. T. Gillespie, 21. [illegible] Carter, 22. John P. Crouch, 23. H. T. Penry, 24. R. C. Foster, 25. C. H. (Cap) Foster, 26. Earl Bradley, 27. N. C. Teague, 28. V. L. Andrews, 29. W. F. Gentry, 30. J. O. Walton, 31. A. Z. Gurganus, 32. E. H. Chapman, 33. Dale R. Martin and 34. Paul C. Millwood.

CURRYTOWN BAPTIST CHURCH HISTORY
1959-1979

Prepared by: Mrs. Tommie Honbaier

On August 8, 1959, under the sponsorship of Center Hill Baptist Church, Mr. Tommie Honbaier rented a story building from Mr. H. C. Curry in which to start a mission. The store building was placed in readiness, chairs were donated by different individuals, and on August 15th the first service of the Currytown Mission was held. The opening prayer was led by Rev. Charles Young and the message was delivered by Mr. Tommie Honbaier. Mrs. Tommie Honbaier was appointed as secretary and treasurer of the mission. Services were scheduled to be held each Sunday at 3:00 P.M.

The first revival was held September 26 - 30, 1960, with Rev. D. W. Digh, evangelist, bringing the messages. The first four members (one by baptism and three by letter from Yadkin College Baptist Church) came to unite with the mission, coming under the watchcare of Center Hill Baptist Church.

March 1, 1964, several pastors and laymen of Liberty Baptist Association met at Currytown Baptist Mission to establish the Currytown Baptist Church. Rev. Leonard Rollins, Associational Director of Missions, acted as moderator. Rev. H. M. Baker read the letter requesting that the mission be organized into a Baptist Church. The church covenant and the by-laws were read; also, the names of the charter members were read. Mrs. Margaret Leonard was elected clerk.

There was a request for Mr. Tommie Honbaier to be called as pastor of the church and to be ordained by Center Hill Baptist Church. The ordination service was held June 14, 1964.

June 29, 1964, thirteen lots were bought from Mr. D. W. Cope to be used as a building site for the church. The cost of the land was $1,000.00. Later twenty-six adjoining lots were bought from Mr. G. L. Hege for $2,200.00, making a total of $3,200.00 for all the land, December 16, 1966, the last payment was made for the land purchased.

January 31, 1971, Rev. Richard Smith, chairman of the building committee for the North Carolina State Baptist Convention, Rev. Leonard Rollins and several pastors and laymen from the Liberty Association, met to make plans for constructing the church building, as the store building was soon to be vacated. Rev. Smith recommended a building plan which was approved. Several churches of the Liberty Association gave donations toward the building and $5,000.00 was borrowed from the State Baptist Convention.

May 16, 1971, the ground breaking ceremony was held. Under the leadership of Rev. Lamar Moore, pastor of Center Hill Baptist Church, work was begun on the new church building.

The first service was held in the new building September 19, 1971. Rev. Tommie Honbaier brought the message and Rev. Leonard Rollins also spoke to the congregation. November 21st, the building was dedicated. Rev. Richard Smith brought the message and several pastors from the Liberty Association participated on the program.

By May 25, 1975, the debt for the building and furnishings had been paid in full. A note burning ceremony was held and Rev. Leonard Rollins brought the message for this service.

At this date, September, 1979, Rev. Tommie Honbaier continues to serve as pastor of the Currytown Baptist Church.

CONTINUATION OF THE HISTORY
of
NORTH LEXINGTON BAPTIST CHURCH
(formerly Erlanger)
Prepared by: Mrs. Mock Hedrick

(The history of the church was published in the minutes of Liberty Baptist Association in 1963.)

Rev. Ben J. McIver was pastor when the previous minutes were published. In 1964, Rev. Melvin Greene was called as pastor. In 1967, the sanctuary was air-conditioned

Early in 1969, Rev. Leon Keefe began his ministry as pastor. In March 1970, the church approved the remodeling and air-conditioning of the old school building which had been given to the church in 1953 by Erlanger Mills, Inc. The men of the church provided the labor and made this structure into a beautiful and modern building. The pastor's study was relocated and refurnished. An office for the Associational Missionary was also provided in this building. The cost of remodeling was $16,162.00.

In April, 1974, after much consideration, the church voted to change the name from Erlanger to North Lexington Baptist Church.

In December, 1974, Rev. Robert J. Floyd was called as pastor and he began his ministry in February, 1975. In March of that year, an Allen Electronic organ was placed in the sanctuary. In September, Randy Hall was employed as part time youth director.

In August, 1975, an activity bus was purchased to be used by the church, its youth organizations and the senior citizens.

In June, 1977, Robert Tyson was licensed to preach, and was ordained as a minister of the gospel in April, 1978. At the present time, he is enrolled in Southeastern Seminary at Wake Forest and he is pastor of Lystra Baptist Church in Chapel Hill, Yates Association.

In May, 1978, Jimmy Summey of Thomasville and Gardner-Webb College was called as minister of youth on a part time basis. In June, 1979, he was called for full time service. He is presently enrolled at Southeastern Seminary.

In April, 1979, the church voted to relocate and negotiations are in progress at this time to purchase a suitable site in north Lexington for a new house of worship.

AMERICAN BIBLE SOCIETY REPORT

From the founding of the American Bible Society in 1816, the goal has been to translate and distribute the Scriptures to all peoples everywhere in their own language. With more countries open to receive the Word, Christians everywhere are jubilant, but we must not slow down in our efforts; we MUST increase our contributions to the Society and its Agencies, so that those who willingly volunteer their services can distribute the written Word to a hungry world. There have been over 500 million Scriptures placed in every conceivable place of business, hospitals, homes, motels, hotels, resorts - wherever there are people.

In 1978, there was a dramatic increase in the distribution of Bibles, New Testaments, portions and selections, tracts, etc. - by 23 per cent. Gifts from churches, denominstions, agencies, and individuals totaled $1,668.148, and if the per capita income from the Southern Baptist Convention were increased to $0.04 per member per year, only our Lord would know the bountiful harvest of souls which could be won into His kingdom.

The American Bible Society covets our continued prayers and support. Working together, we can achieve much.

Respectfully submitted,
Mrs. Willis Albright

ANNUITY BOARD REPORT

The year 1978 was a "banner year" and a year of challenge for the Annuity Board in servicing churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:

1. A "13th Check" equalling an additional full month's benefit and amounting to $1,036,914 was mailed to almost 10,000 annuitants in Board retirement programs.
2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency, and seminarian programs topped $13 million.
3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal of $25 million by 1988 was set.
4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.
5. Participants in the new Southern Baptist Retirement Program grew 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.

6. Premium income reached $51,797,996 (includes relief). Total assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

In North Carolina as of March 31, 1979, 2,953 staff members of 2,290 churches and associations are participating in the Southern Baptist Retirement Program. In Liberty Association 33 churches and 38 staff members are participating in the retirement program.

BAPTIST CHILDREN'S HOMES REPORT

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

Piedmont North Carolina families have ready access to statewide services offered by the Baptist Children's Homes. The institution's administrative offices are located in Thomasville and provide a supportive resource. Mills Home is located there as well to offer group care, social work, counsel, education, religious training and referral.

A Family Services Center headquartered in Charlotte and serving eight surrounding counties has sussessfully piloted the concept of community based services and is another resource in emergency care to all the piedmont. The piedmont also has an emergency care center in Burlington, a specialized program at Wall Home, foster homes services, the Child

Development Center at Mills Home, and other family education services available to all of North Carolina.

Every effort is being made to be a part of and cooperate with the Bold Missions program of advance fostered by the Baptist State Convention in cooperation with the local church.

An indepth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts, and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optomistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

Charles Hodges

BAPTIST FOUNDATION REPORT

Since January 1, 1979, the Foundation staff with assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice (s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as taking advantage of the laws of our land in reducing taxation on resources - both income and estates.

Pre-audit figures indicate the Foundation received in 1978 new funds for trusts in excess of one million dollars. This is the first year during the 58 year history of the Foundation that as much as a million dollars was added in a single year. Much of this came through many relatively small gifts.

Hugh H. Shepherd

BAPTIST HOMES FOR THE AGING REPORT

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced.

Our new Western North Carolina Baptist Home has been completed, and dedicated to the glory of God on April 29, 1979. Already there are enough residents, and those who have been approved for admission, to fill the Home. This Home accommodates fifty residents.

The new apartment complex in Winston-Salem has been completed, and with an older apartment built in 1961, gives us a total of five duplex apartments accommodating twenty persons. With this apartment complex, the six Baptist Homes for the Aging, and the skilled Nursing Facility, three hundred persons can be served in our Baptist Homes.

Homes are located in the following places: Resthaven, the Hayes Home, apartments, the skilled Nursing Unit in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home in Yanceyville; and the Western North Carolina Home in Asheville.

Financially this has been a crucial year in our Baptist Homes, since we did not have our third Sunday of February offering which makes up 16 per cent of our total budget, and the $300,000 that we usually receive from this special offering was delayed until we receive the North Carolina Missions Offering in September. We have had to move into our endowment funds in order to operate. Support through the Cooperative Program for our Homes, which supplies about 8 per cent of our total budget, continues in a steady and encouraging manner.

Please let us remember that ministry to an older person is a ministry as unto Christ Himself. Therefore, let us keep this vital ministry close to our hearts and in our prayers.

Respectfully submitted,
G.C. Lewis

BAPTIST HOSPITAL REPORT

Growth in bed capacity at Baptist Hospital has leveled off at 700 beds with continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit opened September 4. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This analyzer is fully automated, uses computer technology and can perform more than 200 tests. It analyzes blood serum and body fluids, providing results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas.

Another new ministry is a program of home visitation for children with cancer and their families. A team, consisting of physicians, nurses, chaplains, and a psychologist ministers to families during three critical periods: diagnosis, dying, grieving.

Our chaplains lead worship services which are relayed to patients' rooms by closed-circuit television. They also provide a pastoral ministry to patients, families, and staff members; provide more than 15,000 hours of personal counseling annually; offer personal growth and enrichment events and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care Department are accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton, and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year - despite continuing inflation - is only 5 per cent, as compared to an annual increase of 6 per cent in recent years.

In recent months the hospital's oldest building, "Old Main," has been torn down and a new six-story Focus Building is now rising on this site.

Hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering. The Mother's Day Offering from Liberty Association July, 1978 - June, 1979, is $3,688.06 from thirteen churches.

Mrs. Breece Waddell

CHRISTIAN HIGHER EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, S.B.C., of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15 per cent of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

The Council has asked that I thank you for your continued support of the colleges and universities.

Respectfully submitted,
D. Hoke Coon, Jr.

CHRISTIAN LITERATURE REPORT

In its 146th year of serving North Carolina Baptists, the *Recorder*, like old man river, keeps rolling along. The *Recorder* faced the same problems as everyone did in the past year - price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 per cent a year. this means the *Recorder* is costing four times as much to mail as it did five years ago.

Paper and printing also have gone up, but despite these increases, the *Recorder* still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the *Recorder* can still go into every home in a church for only 7 1/2 cents a week. In today's inflationary world, where else can a person receive so much for so little money? You would pay twice that much for postage on a first class letter.

This has been a newsworthy year and the *Recorder* has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news, and you can depend on the *Recorder* to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by a special committee. The Southern Baptist Convention in Houston was another important story this year and as always, the *Recorder* was there.

Even though the *Recorder* takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The *Recorder* believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing twenty years and is still striving to make the *Recorder* better each week. Your support of the *Recorder* will not only mean much to it, but will make you a stronger and better informed Christian. If you and your church do not receive the *Recorder*, please take steps immediately to see that this is done.

As an association made up of Baptist churches, we should make Christian literature available to all in our church families. As Christian

parents, we should see that Christian literature is available in our homes. Our Baptist Book Stores have the best possible books and literature.

It is not possible to report on each type of Christian literature. I will make mention of some other periodicals and books available: *Home Life, The Commission, Home Missions, Charity and Children,* magazines for Sunday School, Christian Training, Music, Library, Recreation, Brotherhood and W.M.U.

Southern Baptists are fortunate to have the best Christian literature. Let us make the best use possible of this literature to involve ourselves in growth, evangelism, and missions.

Respectfully submitted,
Franklin Myers

FOREIGN MISSIONS REPORT

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. As of January 1, 1979, Southern Baptists were in 94 countries with a missionary staff of 2,906 (including 224 missionary associates, 183 journeymen, and 12 special project medical workers) making 130 the net missionary personnel gain for 1978.

The Foreign Mission Board arranged for 2,866 persons to participate in volunteer involvement projects overseas in 1978. Thirty-one volunteers were in Mission Service Corps.

In 1978, workers on mission fields reported growth from 8,533 churches, and 1,071,922 members to 10,440 churches and 1,214,699 members. Field reports indicated a total of 94,543 baptisms.

Total contributions of Southern Baptist support for foreign missions was $64,995.017 (including $31,970,126 for Lottie Moon Christmas Offering, $27,775,750 for Cooperative Program, $1,748,000 for world hunger and disaster relief). Funds were utilized in 31 countries for a wide variety of needs. $3,501,141 for other contributions were included.

Evangelism and church development are central to the objective of missions. Missions is concerned with making disciples, naturing disciples in the fellowship of local churches into a cooperative effort for continued outreach. The program of evangelism and church development includes a wide variety of emphases including radio and television, religious education promotion, lay leadership training, stewardship, camps and conferences, women's work, men's work, music, etc. Continued progress was reported in student ministries in 1978.

Today Southern Baptists express their missions conviction in terms of the primary challenge and objective of Bold Mission Thrust: To provide every person on earth the opportunity to hear the gospel by the close of the century.

Without bold prayers, bold plans will remain only words. Join with other Southern Baptists in praying for missionaries and mission fields around the world.

Mrs. James H. Everhart

HOME MISSIONS REPORT

The year 1978 saw the continuation and implementation of Bold Mission Thrust goals in our Home Mission Board. All areas of work clearly indicate the impact is being made and felt throughout our nation. As the Home Mission Board involves itself in Bold Mission Thrust, more and more groups, areas, and, of course, people are being reached for Jesus Christ. All accomplishments during 1978, though most can only be considered as beginnings, do reflect the growth and concern so necessary for a "Bold Mission" challenge.

This past year saw 21 major metropolitan areas report success in developing plans for reaching this vast segment of humanity in our cities. A seminar was held for pastors and leaders of these areas which offered 26 hours of concentrated study in evangelism to this type area.

A witness work has now begun in 156 counties which previously had no Southern Baptist work established, thus cutting our unentered counties down to 574. The state of Nevada, with only a 30 year Baptist work, has now become the 34th State Convention with 75 congregations and over 14,000 members.

There are 14 program areas under the auspices of the Home Mission Board, all of which can record major accomplishments in 1978. The newest area, Mission Service Corps, now has 90 volunteers assigned to 29 states in 6 program areas. Another volunteer area, Special Mission Ministries, though not an official program, saw the placement and use of over 21,600 volunteers in Home Mission Work.

The chaplaincy program enjoyed an increase in 1978 of 123 full-time and 176 part-time chaplains, making a total of over 1,300 chaplains endorsed by the Home Mission Board.

Church Extension is such an important area that the Home Mission Board employs over 1000 persons to carry on this major emphasis. New work this year in church extension includes 897 new Bible study fellowships, 152 church type missions, 198 churches constituted, and 40 new missions begun.

A Baptist witness to five additional ethnic groups led the list of accomplishments for the Language Missions area. In all, 150 new language-culture ministries were established through this department employing over 1,000 missionaries.

Many other accomplishments highlighted 1978 as the Home Mission Board saw a 17 1/2 per cent increase in operation funds and an increase of 159 new missionary appointees. Bold Mission Thrust has obviously become more than just a theme or catchy slogan. With all the advancements, new programs, increased personnel, and exciting methods of ministry - one fact stands out: the task is an immense one - one that each and every Christian must take to heart. Although our Home Mission Board has apparently accepted the challenge seriously, it is not enough. It will only become a reality as you and I make BOLD missions our Mission!

STATE MISSIONS REPORT

In 1977 North Carolina Baptists entered into a two year Bold Mission Phase and greatly increased goals for the State Missions Offerings. Interpreters went out in every association explaining the goal, the many areas involved in State Missions, and plans to use all money over the amount requested for Direct Missions for debt retirement. Even though the goals were not reached in 1977 or 1978, there was a 250 per cent increase in 1977, and an estimated $218,000 in interest was saved.

This year North Carolina Baptists are asked to give one offering instead of six. The goal for this first United Ministry or North Carolina Missions Offering is $2,000,000, with October 7 set as the day for the ingathering of this offering. It is most important that each church emphasize this new "six in one" offering and encourage their members to give generously or many of our ministries will suffer next year. The suggested division of the $2,000,000 offering goal is:

OFFERING	PERCENT	AMOUNT
State Missions	30	$600,000
Children's Homes	30	$600,000
Hospital	15	$300,000
Homes for Aging	15	$300,000
Higher Education	5	$100,000
Heck-Jones (W.M.U.)	5	$100,000

Each of these ministries continues to need our support. For instance, more than four thousand patients received aid at our Baptist Hospital because you gave last year. Your giving will determine the number of aging and children our homes will be able to minister to, the number of students who will receive aid for higher education, the number of churches and pastors that can receive assistance, and the continuation of many other badly needed mission projects in our state.

Last year churches in Liberty Association gave $16,451.28.

Let me encourage you to promote this new North Carolina Missions Offering in your church and to join other North Carolina Baptists as you give and pray that this goal will be reached and that we will not be responsible for any of our ministries having to be left out in 1980. Rather, may larger amounts be given to these ministries already existing and may we venture out into some new work in order that we may have a greater part in "every person at least hearing about our Lord and Saviour."

Respectfully submitted,
Mrs. W. L. Martin

Constitution

(Adopted September 29, 1954 - Revised October 1, 1969 and October 1, 1975)

PREAMBLE

We, the churches of the Liberty Baptist Association, unite ourselves according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the Baptist State Convention of North Carolina and the Southern Baptist Convention, according to the following Articles:

ARTICLE I—NAME

The name of this body shall be the Liberty Baptist Association.

ARTICLE II—MEMBERSHIP

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a

period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—MEETINGS

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—COMPOSITION OF MEETINGS

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—OFFICERS AND THEIR ELECTIONS

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Church Music Director, Evangelism Director, and Historian.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year-term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Woman's Missionary Union as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI—TRUSTEES AND THEIR ELECTION

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

ORGANIZATION AND ADMISSION OF NEW CHURCHES

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as

not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Mission Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

REPORT OF THE EXECUTIVE COMMITTEE

The Constitution and By-Laws of the Liberty Baptist Association stipulate that the Executive Committee shall meet at least quarterly between annual sessions of the Association. In keeping with this instruction, the Executive Committee met four times since our last annual meeting. All of these meetings were held at the Association office near Thomasville, and each one began with a time of worship.

The first meeting was November 19, 1979. Reports were presented from the treasurer and organizational leaders. The W.M.U. reported that $551.00 had been contributed by twelve church groups toward equipping the kitchen at the Associational office. Mr. Rollins noted that High Attendance Day in Sunday School on October 29 recorded 6,386 present in the 43 churches of the Association.

Two financial matters were considered. A request was presented for the renewal of State Aid in the amount of $672.00 to be directed toward support of the Director of Missions. This was approved. A second matter suggested the Committee authorize the Director of Missions to process a request for salary supplement from the State Convention for the Currytown pastor in the amount of $100.00 per month effective January 1, 1980. This motion was also adopted.

Mr. Rollins presented information concerning a county beer referendum scheduled for January 8. Churches were encouraged to get their people registered to vote, informed about the issue, and encouraged to work for the defeat of the measure.

The second meeting was on January 21, 1980. In the absence of the moderator, Mr. Rollins presided over the meeting. The Rev. Rick Lloyd was recognized and thanked for the beautiful table lectern which he had made as a gift for the Associational office. The treasurer's report noted that half of the $4,000.00 loan from the Abbotts Creek Burial Fund had been repaid, with interest paid through January 14. Concern was expressed about the possibility of a beer referendum for the cities of Thomasville and Lexington as soon as the necessary petitions had been filed.

Organizational reports were presented. Miss Betty Bradshaw presented a copy of the History of the North Carolina W.M.U. for the library in the Associational office.

The third meeting was on the evening of May 26. The treasurer's report stated that the balance of the loan had been repaid to the Abbotts Creek Burial Fund. The only remaining indebtedness is the balance on the Associational office building which is carried with the Lexington State Bank.

A primary emphasis in all the organizational reports was preparation for the Associational Key Leadership Conference scheduled for June 3. It was stated that the Associational W.M.U. would be recognized for Distinguished Achievement at the National W.M.U. Convention in St. Louis in June.

The fourth and final meeting, prior to the annual session, was on September 15. Following the treasurer's report by Mr. Reece, the chairman of the Finance Committee, Rev. Lamar Moore, expressed the committee's concern about the financial support from the churches. He stressed that an increase of $1,700.00 was being included in the proposed budget, which represents a 4% increase. Based upon receipts for the 1979-80 associational year, there is a need for increasing our gifts by approximately 20%. There

were two things related to this need for increased giving. Increased expenses are incurred by the operation of our own office building, and the salary supplement from the State Convention for the Director of Missions has been discontinued. Rev. Carl Hemphill, as Stewardship Director, requested that church representatives be aware of these circumstances and proceed to lead churches to increase their support accordingly.

The Chairman of the Missions Committee, Mr. John N. Penninger, Jr., reported that two items had been pursued by his committee. Churches delinquent in giving, reporting, or sending messengers to the annual sessions had been contacted and their response was favorable. The second matter stated that Calvary Baptist Church had submitted a request in writing that their name be removed from the roll of the Liberty Baptist Association. Upon recommendation from the committee, it was approved that the matter be presented to the annual session for their final action. Following an emphasis on the N.C. Missions Offering, the meeting was adjourned.

Respectfully submitted,

MISSIONS COMMITTEE REPORT

The first meeting of the year was held November 19, 1979, immediately after the Executive Committee meeting. It was determined that in the future we should meet prior to the Executive Committee meeting. The Director of Missions reported that some of our churches were not in compliance regarding a cooperating church. After some discussion, a committee was appointed to approach same and see what we could do in helping them to continue as a cooperating church.

At the January 21, 1980 meeting, it was reported that the leaders of one church had requested a meeting with only the Director of Missions. It was suggested that Mr. Rollins comply with their request. It was reported earlier

that Calvary's pastor had resigned and moved away and that the church was having some difficulty, with decreasing participation. Mr. Rollins reported that Jerry Couch was preaching there now with some improvement in their financial situation.

It was reported that from a recent meeting of the Triad Missions meeting in Greensboro, that further survey work was needed in relation to areas where churches should be established, or where communities are not served. The Director of Missions requested permission to assume responsibility for spending up to 60 days (as interim) with any particular church without having to come to the Missions Committee each time. This was granted, with certain conditions, and requests may be made for further time as needed. When we met in May, Mr. Rollins had not been able to arrnage a meeting with the Lakeview church people. He also reported that we had several churches which had not made a contribution to the associational program. It was suggested that the chairman of the Finance Committee write these churches and remind them of their opportunity and the need to contribute. It was stressed that we need to begin to make plans for the simultaneous crusade planning for 1982, but we need commitment from the churches before this can be determined.

At the September 15, 1980 meeting, Mr. Rollins reported that he had met with the pastor and two laymen of the Lakeview Church. Their church letter had already been received by the Association Clerk. The Treasurer has already received a contribution from the church and we hope they have messengers at the annual meeting, which will keep them in good standing with the Association. Mr. Rollins read a letter that had been received from the pastor of Calvary Baptist Church requesting that their name be dropped from our roll. A motion was made, second and adopted that the Missions Committee chairman share the request with the Executive Committee as information, with the recommendation that the letter be presented as an item of business for action by the Association in annual session, under miscellaneous business, today.

Attention was called to the possibility of considering new work in the fringe area of the New Friendship Church. Mr. Rollins was to talk with the pastor and secure more information.

REPORT OF DIRECTOR OF MISSIONS

Your Director of Missions has been in 35 of the 42 churches for at least one service during this calendar year. In addition to regular preaching services, I taught the Book of Ephesians in 27 different class sessions in five churches. I taught the Home Mission Study at Carolina Memorial, Lexington, First, Stoner's Grove, Smith Grove, and Welcome, First, and also taught the Vacation Bible School study for adults at Carolina Memorial. I have assisted a number of our churches while they were without a pastor, worked with five pulpit committees, and preached for five of our pastors while they were ill. I spoke on my work as Director of Associational Missions at Coggins Memorial, Denton, First, Hasty, Lexington, First, and Rich Fork. I was involved as a participant in a cooperative gardening venture at Coggins Memorial; assisted the Constitution Committee at Denton, First; conducted four funerals and two weddings; served as stand-by pastor for Welcome, First, while their pastor was in graduate study at Drew University; and was involved in publicity and enlistment for the beer elections in Davidson County on January 8, 1980, and in Lexington and Thomasville on May 6, 1980.

I have participated in the following special events: service at Center Hill to honor D. W. Digh and Marvin Smith; Baptist Men's Day at Churchland and High Rock; ordination service for Danny Dalton at Rich Fork; ordination service for deacons at Victory; Homecoming sermon at Southgate; Men and Boys' Banquet at Jersey; Brotherhood at Reeds, and Founder's Day service to honor Hugh Palmer at Holloways. Outside the association, I preached at Pilot View Church in the Central Association and Immanuel Church in the Piedmont Association; participated in the special service at Fork Church in Davie County in honor of Dr. R. C. Foster; participated in the Churchmanship Seminar at Camp Caraway and the Associational Long Range Planning Clinic in High Point. I have met a number of times with the State Sunday School Task Force, attended the General Board meetings at Gardner-Webb and Raleigh, and a planning meeting in Salisbury for the 1982 Crusades. I attended the Baptist State Convention in Winston-Salem; and the 150th Anniversary Meeting of the State Convention in Greenville, North Carolina; the Southern Baptist Convention in St. Louis; the Directors of Missions Meeting at Wingate; ASSIST Training Institute, Key Leadership Training, and Home Missions Week at Ridgecrest; and the N.C. Missions Offering Interpreters' Training Session in High Point. I spoke in a prayer service in Edgewater, Alabama, and was Minister of the Month for the Industrial Management Council in Lexington in September.

Publicity and promotion are being given now to Sunday School attendance and leader training, Sunday School High Attendance Day in October, the N.C. Missions Offering, "Churchmanship '81" and the Simultaneous Revival Crusades for our association, April 4-18, 1982, and a more solid base for our associational financing.

WOMAN'S MISSIONARY UNION REPORT

LIFE...CHANGING...COMMITMENT...What comes to your mind as you read these words? This is the first of a two year emphasis in Woman's Missionary Union. It is aimed at helping individuals and families to make a life-changing commitment in support of world missions. Each associational WMU activity or event zeroed in on various aspects of Christian lifestyle. Suggestions were made of ways to help members to make life-changing commitments.

Training opportunities were attended by the Associational WMU officers at Mundo Vista and Ridgecrest. The officers were then prepared to train church WMU leadership at the fall workshop held at Rich Fork, September 17.

Park Place was the host church for the Annual WMU Meeting, April 21. Carolyn Hopkins, state Acteens Director and James Pope, Director of Christian Social Ministries in High Point were the key speakers.
Day Camp at Mundo Vista, May 3 was enjoyed by members and leaders of Girls in Action from our association.
A joint WMU/Brotherhood Rally at Welcome First, October 16 gave us the opportunity to hear Mrs. Gilmer Cross and Ed Bullock talk about our 'common task.'
127 women from 16 churches experience a great blessing November 9-10, at Caraway Conference Center. Our Retreat was lead by Polly Rollins, Bonnie Wiggs, Korea and Marian Phillips, Nigeria. These were perhaps the high hours for our membership this year.

Baptist Young Women, Acteens and Girls in Action had other meeting for their members.

A big thanks for your cooperation in associational projects. Christmas gifts for women at the NC Correctional Center, has become something we look forward to each year. This year as we entered the Associational Office, you gave wonderfully to furnish the kitchen.

Woman's Missionary Union has made Life-Changing Commitments our emphasis for Entering the Eighties. It is our prayer that this will be a beginning in life-changing commitments for you.

Respectfully submitted,
Miss Betty Ann Bradshaw

BROTHERHOOD REPORT

North Carolina Brotherhood work has been on the upsurge in 1980. Baptist Men and Royal Ambassadors individually have shown much enthusiasm and interest in all levels of participation. While the overall membership has remained almost static or, in some cases, has decreased, the quality of participation and broadening of interests and outreach has been excellent.

From an Associational level, the director is gratified by the response of leadership in Men and Boy's work. At regional workshops the attendance has been great. We are planning Associational workshops for the future.

This past year has been a busy one. Your director has visited several churches for men and boys meetings; attended the Leadership Training Conference at Ridgecrest, attended several conferences at Caraway, attended all Executive Committee Meetings of the Liberty Association and the Annual Session.

We are looking forward to the new Associational year of challenges and opportunities, a time for much service in His name.

Marvin E. Lyon

SUNDAY SCHOOL REPORT
1979-1980

The study of the Bible is important to the total work of the church. A church must teach the Bible to convey a biblically based faith, to build understanding within the fellowship of believers, and to give witness to the Christian faith.

Sunday School is a natural arm of the church for reaching and witnessing to people, because Bible teaching-learning is foundational to motivating persons to share their faith. The Sunday School provides a natural grouping for reaching persons for Bible Study, and witnessing to them about Christ and church membership.

The Sunday School is needed to lead new and mature believers to follow the biblical example to minister to persons in Christ's name and to respond to God through worship. These grow naturally out of studying God's word.

The Sunday School can reach the largest number of persons within a community or city. It is a natural channel for sharing information to a lot of people. Sharing God's word is the main business of the Sunday School.

Since Sunday School is so important we ought to give it our best.

EVANGELISM REPORT FOR LIBERTY ASSOCIATION — 1980

We must never lose sight of the fact that EVANGELISM is the Number One priority in the work of the Lord's churches. Evangelism involves more than winning the lost to a saving knowledge of Christ. According to the Great Commission of our Lord as recorded in Matthew 28:19 to carry out His directive, evangelism involved winning, baptizing, and teaching, and when one of these is omitted the total evangelism program is incomplete.

"Bold Witnessing Churches" was the theme of the 34th Statewide Evangelism Conference, held in Greensboro in February. Eight small conferences related to helps for growing churches and discipling members were conducted at First Baptist Church in Greensboro prior to the main

conference in War Memorial Auditorium. Liberty Association was one of few in North Carolina that registered an increase in baptisms for the previous year. For this year we show decrease of 7 (282 total).

New materials on Lay Evangelism schools prepared by the Evangelism section of the SBC Home Mission Board are now available for use in our churches. This school is designed to train youth and adults to become more effective witnesses for Christ to the lost.

Several thousand youth were involved in the 10th Statewide Youth Evangelism Conference in Greensboro August 15th, 1980. Hundreds of decisions were registered by those attending which should be evidenced in our churches.

A joint Statewide Evangelistic Crusade is planned in our state for 1982. The theme of the crusade is "HERE'S HOPE". The simultaneous revival date for the crusade in our area is April 4-18, 1980. Every church is urged to plan a revival meeting during these dates. Let us pray daily that every lost person in North Carolina will have the opportunity to hear the Gospel of God's love by the end of 1982.

Recommendation: I recommend that we go on record at this annual meeting of Liberty Association that we support the 1982 Crusade.

Respectfully submitted,
Geo. E. Williamson,
Chm. of Evangelism

HISTORY OF COMMUNITY BAPTIST CHURCH
Route 2, Box 319, Lexington, N.C.
By: Mrs. Ruby Kepley, Church Clerk

In the year 1954, The Rev. W. N. Parker of Thomasville, a member of Greenwood Baptist Church, conducted a tent revival in the Gordontown Community. At that time some of those attending expressed a desire to have a Baptist mission in the community. After careful thought and consideration, and with help from Greenwood Church, Rev. Parker and his wife rented a store building from Mr. Purn Gordon. With only a few in attendance, the work began, and was known as the Gordontown Baptist Mission. With much hard work and many prayers, the mission grew and prospered. In the latter part of 1957, Rev. Parker resigned; and Rev. Allen McGee, Also a member of Greenwood Baptist Church, was called.

In August of 1958, under the leadership of Rev. McGee, the mission was organized into a church and was named by its members, Community Missionary Baptist Church. At the time of organization there were nineteen charter members: Rev. McGee, Dorothy McGee, Linda Beeson, Pauline Gordon, Maude Gordon, Hattie Gordon, Frank Gordon, Purn Gordon, Nell Gordon, Joann Hunt, Letha Hicks, William Lange, Annie Lange, Bill Lewallen, Sara Lewallen, Effie Kinley, Ruby Jarrett, Eva Snider and Betty Sue Varner.

On October 12, 1958, the church elected the first trustees and in 1958, the first budget was drawn up. In November 1958, the land on which the present building stands was purchased from Mr. Billy Starbuck for $250.00 and

work was begun on the basement of the church.

In September, 1959, Rev. McGee resigned and Rev. Robert Mabe was called as pastor. The first deacons were elected in 1959. In December of that year, the basement was completed and the first service held in the new basement building on the second Sunday in December. The auditorium was finished in 1960 and the first service was held in the new auditorium December 11th.

Rev. Mabe resigned as pastor in February, 1961, and Rev. Jack Lanier was called. During the year, many improvements were made in the Sunday School by adding classrooms and a nursery; Training Union was organized with forty-nine present at the first meeting and plans were made to organize a Woman's Missionary Society.

In 1962, the lot adjoining the church property was purchased to be used as a building site for a parsonage; also, in that year, land was cleared and prepared for a cemetery. Mission work was conducted at the Pine Knoll Rest Home, for which a Certificate of Award was presented to the church from the State Convention. Also, in 1962, an entrance hall was added to the building, and pews were purchased to replace the chairs. Many of the pews were donated by members and friends of the church.

In 1963, the church voted to adopt a Constitution and By-Laws. A shelter over the back entrance was constructed and a new heating system was installed.

In 1964, the yard was graded and leveled and the cemetery was laid off in plots. The parsonage was built in 1965. In 1966, a new porch was added to the church building. By this time, the church membership had increased from nineteen to seventy-five.

In 1967, Rev. Fred Carlton was called as pastor. During his pastorate, the church continued to grow. In May of 1970, Rev. Carlton resigned and Doug Adams served as supply pastor until June when Rev. Bill Hyde was called. By 1971, the church debt was paid in full. In 1971, the W.M.U. held projects to raise money to carpet the auditorium. In 1972, a shelter was built for the picnic area. In 1973, the church steeple was remodeled and guttering was installed. In 1974, the church observed Youth Sunday, which proved to be instrumental in reaching the youth of the church and community.

On April 6, 1976, Rev. Hyde resigned and Rev. Robert Mabe served as supply pastor until July 10, 1977, when the church called Rev. Glenn Snider, who is now serving as pastor.

On August 10, 1977, plans were drawn for three new class rooms, restrooms, and a baptistry to be added to the present structure. Donations of material were made by members of the church. The additions were completed in October, 1978. The first person to be baptized in the new baptistry was Robin Hunt, along with thirteen others.

During this year, 1980, two classrooms were converted into a fellowship hall, and a new steeple has been installed. The present church membership is one hundred forty.

Many changes have been made through the years, many hardships have been experienced, but always through God's help, the church has continued to grow and prosper.

HISTORY OF JERSEY BAPTIST CHURCH
Updated - 1968 - 1980 (by Rev. Morris Hollifield)

The Liberty Baptist Association last met with Jersey Baptist Church

Sept. 5, 1968, and an abbreviated history was included in the minutes for that year. Consequently, this account provides an update from that time until the present.

The year of 1969 was marked by a simultaneous revival as a part of the Crusade of the Americas. In addition to receiving many new Christians into the fellowship, the church extended its witness by establishing a Sunday School Class at the Red Barn Fish Camp for employees. In June the decision was made to pave the driveways and parking areas around the church building.

The next year brought about a change of pastors. On February 15, 1970, Rev. W. C. Adams concluded his work and moved from the field. On April 26th of that year, the Rev. Morris Hollifield, of Church Hill, Tennessee, was extended a call. He and his family moved into the parsonage on July 1st. In November of 1971, Dr. George Cummings, Director of the Chaplaincy Division of the Home Mission Board, presented the church a copy of a painting of John Gano, who was the first pastor of the congregation. At the Homecoming services on May 28, 1972, the Rev. Adams, the former pastor who led a building program, was invited to speak and a note burning service was held in recognition of the debt liquidation on the Gano Educational Building. This same year, the sanctuary was air conditioned.

Religious Heritage Sunday was held On October 8, 1972, in connection with the Davidson County Sesquecentennial Celebration. An old pump organ was used and most of the congregation wore clothing representative of early Colonial days. This set the tone of worship for an overflow crowd with a record breaking Sunday School attendance of 307.

The church participated in a World Missions Conference October 29 - November 1, 1972. Also, in November of that year, the pastor and his wife, along with several other members of the church, made a trip to the Holy Land.

In 1974, under the planning and leadership of the W.M.U., the people of the church helped redecorate the N.C. East Building at the Junior Order Children's Home. During January and February of 1974, renovations were made at the parsonage, enlarging the garage to become a double carport, and enclosing the breezeway for a den and a utility room.

In June, 1975, there were three leaders and eleven Acteens who attended the National Acteens Convention in Memphis, Tennessee. In March of 1976, two Acteens, Ann Cook and Jeanne Hollifield, were chosen to serve as Pages at the annual State W.M.U. Convention in Greensboro.

In February, 1976, the floor in the sanctuary was replaced and new and additional lighting was installed with the help of some memorial gifts. During the same month, a gift was received from the estate of Dr. C. R. Sharpe to be used as a trust, with interest to be given to the Baptist Children's Homes of North Carolina. On May 23, 1976, the church honored Dr. Forrest C. Feezor in recognition of his sixty years in the ministry, having been ordained by Jersey Baptist Church on June 30, 1916.

Worship during the summer of 1976 was focused in large measure around the Bicentennial theme. During June, services were held each Sunday evening at one of the oldest churches in the county. The first of these was at Jersey on June 6th, with worship at 5:00 P.M., followed by a picnic supper on the church grounds. The following services were at Pilgrim United Church of Christ, Friedberg Moravian and Fair Grove United Methodist Church. On July 4th, evening services were dismissed in order

for the congregation to participate in a Bicentennial Celebration at Catawba College with the people of Rowan County.

The beginning years of the Third Century were marked by renewed emphasis upon missions. Migrant mission work in Key West, Florida, by Mr. and Mrs. Ishmael Negrin, former missionaries to Cuba, was undergirded financially. The church helped some small congregations in the Liberty Association by providing literature. In October, 1978, the church participated in a World Missions Conference. In November, the church granted the pastor permission, with their blessings, to serve as interim pastor of the Anderson Memorial Baptist Church of Schweinfurt, Germany, until the end of the year.

During the summer of 1979, one of Jersey's college students, Jeanne Hollifield, served ten weeks as a Student Summer Missionary under the Home Mission Board in Fleming, Kentucky. In June, there were twenty-eight adults, youth and children who formed a mission team to work in West Virginia for a week. They held Vacation Bible School, conducted revival services, and did survey work. In June, 1980, twenty-five people went back to serve another week in West Virginia. Each year witnessed many decisions, with considerable financial support being directed toward strengthening the work.

With the conclusion of the church year in 1980, it was encouraging to note that mission expenditures exceeded funds spent for local expenses. It is believed by many that this signals a renewed commitment to spreading the Gospel, and to Bold Missions in the days to come.

ADDITION TO THE HISTORY OF LIBERTY BAPTIST CHURCH

The history of Liberty Baptist Church was given in 1975 and was printed in the associational minutes that year. A brief summary was given at that time pertaining to the organization of the church, buildings, etc. Today we are presenting other interesting facts related to the church history. The following information is condensed from "A Church Summary" by Miss Lucy Lopp. The complete "Church Summary" will be placed in the Associational Office file.

The dawn of the history of Liberty Baptist Church was heralded by the coming of Dutch-German settlers into the northeast part of Davidson County to build homes and raise families. The determination and dedication of these settlers has been an inspiration to all succeeding generations. In many cases the land has been kept in the same family, being passed from one generation to another and the young have built homes on inherited tracts of land. This has kept close family ties within the church. Each generation has assumed its place of leadership in the church and community.

From the beginning, the people understood that their religious liberty entailed responsibility. The early records made reference to the importance of being on "praying ground." Many examples could be cited to show how the people have combined purpose with power to carry on the work of the church.

Protracted meetings have always played an important part in the life of Liberty Baptist Church. The summers were always filled with harvesting

and threshing wheat, canning and dryin g fruit, sharing with neighbors as they prepared for the winter months ahead; however, by mid-August the crops were "laid by" and the people were ready for a break from their "sun up to sun down" labors and it seemed a good time for the protracted meeting. At these meetings, many decisions were made and many lives were strengthened. In 1884, at the close of the meeting, the brethren and friends raised $7.61 for Rev. Henry Sheets who had conducted the meeting. Monday through Thursday, the people came at 10:30 each morning for Bible reading and returned in the evening for preaching by Rev. Sheets.

Liberty's support to the denominational program has been marked by active participation. The first record of attendance at the Baptist State Convention was in 1906 when S. L. Kindley was appointed as a delegate. In 1918, a committee was appointed to promote subscriptions for the Biblical Recorder. The people have always put feet to their dedication. These efforts have included visitation, aid to the needy, purchase of equipment, etc. In more recent years, these activities have been carried out through the different departments of the church, such as, Sunday School, Women's Missionary Union, Baptist Men and the Extension Department.

Liberty people have always had a voice in the business affairs of their church. In the late 1800's a conference roll call was begun. If a member were not present, he was required to have a satisfactory excuse or be charged with delinquency. Welfare needs were quite often taken care of in conference. In one instance, the sum of $4.35 was raised to help a man who had a sick wife. Nothing has been too minor to bring up at the business meeting: the need to buy a window light, a stove pipe, a lamp or the matter of renting a lock box. Decisions have been made to clean off the grave yard, buy Christmas presents, appoint a committee to buy the communion wine, raise the budget, call a preacher and grant church letters.

The forefathers of Liberty Church had strong convictions that public confession and forgiveness added dimension to their Christian life. Until 1922, a great deal of stress was placed on church discipline. In 1890, a Spiritual Committee was appointed to investigate the cases to be tried at the church court and to report their findings. People were called on the carpet for many evil deeds. Some were taken to task for having left the faith of virtue, one was dismissed for denying the tenth, one woman was excluded when she left her husband to take up with another man. Other accusations were fornication, drinking, dancing, delinquency, dishonesty, and using improper language against the church. In 1888, there seemed to be an unusually large number of persons brought before the mercy seat, so that the pastor requested a day of prayer and fasting. One account is given of the pastor, along with several of the brethren, going to the home of an evil doer to confront him with his sinfulness. This visit was very fruitful. The man in question repented on the spot and was baptized that same evening in a body of water on his property.

The people at Liberty have always supported education. Several one room wooden schoolhouses were located in the Liberty area. One teacher usually taught all of the grade levels. The county would pay for three or four months of school, then the subscription school took over. Liberty parents were sure their children had the opportunity of the extra months of subscription

school. There has always been the willingness to give financial support to the schools in the area. As recent as 1965, the members of the church gave money to help employ a Bible teacher at East Davidson High School.

To tell about all the good people of Liberty Baptist Church would take volumes but it does seem right that three persons named in the organization of the church should be given special attention: Joshua Lee, Peter Owen and Phillip Copple. Appropriately enough each of these men had a Biblical name.

AMERICAN BIBLE SOCIETY REPORT

Since its founding 164 years ago, the American Bible Society has offered the people of the world more than 3 billion opportunities to read at least some portion of God's Word. Starting out with the distribution of 6,410 Bibles in 1816, the American Bible Society has through the years steadily increased its ministry of sharing the Scriptures to reach its current annual distribution rate of more than 250 million Bibles, New Testaments, Portions and Selections.

The American Bible Society distributed 108,882,672 Srciptures in the United States alone during 1979. Among the larger provisions of Scriptures throughout the year were 260,000 Scripture Portions distributed by the Alabama Baptist Convention in a campaign to reach every home in the state with some part of God's Word. Another 120,000 special imprinted Portions in English, Spanish, and Navajo were distributed by the New Mexico Baptist Convention.

Other distribution projects in which subsidized Scriptures were used varied from 40 English/Russian Sermon on the Mount Selections presented to Russian students by the Baptist Student Union at Georgia Tech to 277,000 Luke-Acts Portions prepared for Baptists in Ohio, Indiana, Illinois, Iowa, Wisconsin, and Minnesota.

The number of dedicated Christians who are devoting both time and effort to the Bible cause rose to over 35,000 volunteers in 1979. More than 13,000 of these volunteers are Church Representatives who actively promote American Bible Society Scriptures and programs in their local churches. Over 2,600 volunteers maintain Scripture Courtesy Centers in their homes or business establishments where Scriptures can be purchased by the general public.

The tremendous advances achieved for the Bible cause during 1979 were made possible because of gifts received from organizations such as the Southern Baptist Convention.

We convey the heartfelt thanks of millions of people around the world who, because of you, are discovering for the first time the saving knowledge

of Jesus Christ as revealed in the Scriptures. It is my personal feeling that the American Bible Society has contributed more for the spread of the Gospel of Jesus Christ than any one single agency in the world today. We are deeply grateful.

The American Bible Society asks that Bold Mission Thrust be just as bold in Scripture distribution as in other areas of mission work. Only then can we be certain of having the Scriptures available that the Southern Baptists need around the world.

Respectfully submitted,
Van E. Brinkley

ANNUITY BOARD REPORT

While serving Southern Baptist Churches and Agencies of 1979, the Annuity Board marked a period of "achievement, ministry, and growth in practically every phase of its work," according to Dr. Darold H. Morgan, President.

Key statistical highlights in 1979 included:

1. A 13th Check amounting to 10 per cent of a year's benefit was mailed to most annuitants in December, 1979.

3. Insurance Benefits throught the Board's Church, Agency, and Seminary Programs amounted to $13,067,338.

4. Total Assets held in Trust at the close of the year equaled $667,521,987. This figure represented a growth of $97,787,516 over 1978's total.

DEPARTMENT OF RETIREMENT PLANNING

Baptist State Convention of North Carolina

In North Carolina as of March 31, 1980, 3,046 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1980, we had processed the following:

77 Southern Baptist Retirement Program Applications
14 Applications for Age Retirement Benefits
3 Applications for Disability Benefits
6 Widow's Claims

ASSOCIATION

In Liberty Association 32 churches and 38 staff members are participating in the Retirement Program. Of this number, 13 are still participating on the minumum of $33.34 per month. There is a great need to upgrade this to .10 per cent of total salary for the staff member.

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina, Incorporated is an Institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an in-depth evaluation of the Institution's total program of services. We share three significant statements from that report.

> "The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

> "At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

> "This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville, and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources, and spirituald resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving, and various types of involvement.

Respectfully submitted,
Carroll Wall, Jr.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation is sixty years old this year. It was born out of a need to provide a channel for gifts and bequests which would be held in trust. Baptist people are therefore able to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own death. Over the history of the Foundation, gifts have been received, administered, and distributed to Baptist colleges, Children's Homes, Homes for the Aging, Foreign and Home Missions, State Missions, Baptist Hospital, churches, associations and the Cooperative Program.

A variety of ways may be used to provide gifts to the Foundation, but the most common are through the use of a will and through charitable trusts. Memorial gifts are also frequently received. During the past year, **new** trusts have been established having combined assets of $650,000. **Additions** to existing trusts, providing for scholarships, mission offerings, memorials and many other causes, were more than $370,000. Total increase of assets for the year was $1,018,681 with total assets of the Foundation being $5,115,000. This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation staff, its three consultants, board members, and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

Respectfully submitted,
Hugh H. Shepherd

BAPTIST HOMES FOR THE AGING REPORT

North Carolina Baptist have just completed our 29th year of ministry to older persons, and are moving with faith and gratitude into our 30th year and into the new decade of the eighties. God has blessed us in marvelous ways through all these years ad has given us the privilege of moving into five areas of our state with this special ministry: Resthaven, the Hayes

Home, the Apartment Complex, and the Nursing Unit, all in Winston-Salem; and homes in Albemarle, Hamilton, Yanceyville, and Asheville. A dream was fulfilled when we moved into the new North Carolina Baptist Home in Asheville (March, 1979). This home is now filled with 49 new residents, a most welcome addition to our Baptist Homes Family.

Gifts from our Baptist churches, through encouraging, have fallen behind in previous years! The two vital sources of income for the Homes are the Cooperative Program and the new North Carolina Missions Offering. Through these sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplemented at some time during their residence in our Baptist Homes Family are in the majority.

Each of our residents thank you as North Carolina Baptists for all that you are and for all that you do for them.

Respectfully submitted,
G. C. Lewis

BAPTIST HOSPITAL REPORT

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two-year accreditation.

Our hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung, with potential for surgery of other internal organs. New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for speciality dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services. Social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. Our hospital recently became a charter member of the Sun Alliance whose primary purpose is to keep operating costs as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and possible g roup arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situation, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the

past year, the department has begun a Minister's Care Plan, in which the Baptist Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the deparment's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building is almost complete and will be occupied by several departments in the near future. The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
Mrs. Breece Waddell

CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. The Education Commission of the Southern Baptist Convention reports that many of our institutions have recommitted themselves, in the spirit of bold missions, to the mandate of our Lord to know and teach the truth. This recommitment grew out of the National Conference on Bold Christian Education and Bold Missions which was held in June of 1979.

The role of higher education in Bold Missions is thought of as preparing and training of church vocation volunteers. The Commission reports 22,791 volunteers for the 1979-80 school year.

While the year has been a good one for the colleges, it has brought with it significant challenges. This year has brought the recognition that the new and stringent demands of our world and our society require spiritual, intellectual, and moral commitments from the various schools. The rapidly developing technology and growth of human knowledge require a new emphasis on excellence in learning. The growing lack of concern in many parts of society for spiritual absolutes and Christian values has required a new emphasis on our historic support of missions and Christian education in Southern Baptist schools.

We are thankful that in light of these significant challenges, our schools are training our youth to interpret the Christian message for our time and theirs. The message they proclaim is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems: guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptit colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Respectfully submitted,
C. Ray Yarborough, Jr.

CHRISTIAN LITERATURE REPORT

Christian Literature, for anyone wishing to read about God's program, is undoubtedly the best bargain anyone can buy or invest their time in. All Southern Baptist books and periodicals are well written and informative. Our own state has one of the best written papers in the south. The Biblical Recorder is quoted and read by more Christians than ever before in its history. Its circulation has grown steadily for many years, yet its price has remained the same. Marse Grant is an active editor and a professional reporter. He and his staff tell the Baptist story "like it is" without all the hoop-la that goes with the secular press. We would urge every church in Liberty Association to keep informed through this weekly publication. Its cost only runs about seven cents per issue.

Another publication in our state that has appealed to Baptists over the years is Charity and Children. This organ of our Baptist Children's Homes has had an appeal in our local churches for many years. It is locally centered and reports the activities of child care, plus many other subjects of interest to Baptists.

Most all of us have our favorite publications centered around Christ's program and His church. Our prayer is that you keep informed through reading. It is the ony way you can keep in touch with God's people and his program as carried on by our churches.

Respectfully submitted,
Franklin Bailey

FOREIGN MISSIONS REPORT

Southern Baptist outreach to the world through the Foreign Mission Board experienced a good year. Some of the events that are taking place through Bold Mission Thrust are an indication that we are very concerned about the Great Commission.

The most important responsibility of foreign mission work is sending and maintaining missionaries through the Foreign Mission Board. Net missionary personnel gain for 1979 was 102. At the end of the year, the missionary staff totaled 3,008, including 226 missionary associates, 215 journeymen, and 15 special project medical workers.

Southern Baptist foreign missionaries were assigned to 95 countries and territories by the end of 1979. One new field was entered during the year - Transkei - a new African homeland established from the territory of the Republic of South Africa.

Evangelism and church development are central to the objectives of missions. In 1979 workers on mission fields reported a growth from 10,449 churches and 1,214,699 members to 11,083 churches and 1,248,218 members. A total of 96,376 baptisms were reported.

An important part of missions is training leadership among the people. Educational institutions under Baptist sponsorship include all levels from kindergarten through university. Theological schools and Bible institutes including a new theological institute opened in Guayaquil,Ecuador, are also sponsored by Southern Baptists.

Adequate supplies of all kinds of Christian literature are needed for church growth; therefore, publication ministries are a very necessary part of Southern Baptist overseas missions. In 1979 there were 21 formal publishing centers in 21 lands and informal literature programs in a number of other lands.

Baptist medical ministry is meeting the needs of thousands of neglectd people. As physical problems are met, the doors are ofter opened to spiritual needs. Health care ministries in 20 hospitals constitute an important part of Southern Baptist overseas mission work.

In 1979 Southern Baptist contributions for foreign missions totaled $74,976,749. For the calendar year Lottie Moon Christmas Offering gifts amounted to $36,217,473. The 1980 offering goal is $45,000,000. Approximately 50 per cent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. Still urgently needed on overseas fields are land, buildings, and equipment, amounting to several millions worth. Financing for world missions must show a bold new thrust.

Respectfully submitted,
Mrs. Willard Myers

HOME MISSIONS REPORT

During the past year, the major emphasis in planning at the Home Mission Baord has been to coordinate the efforts of the staff in development of a mid-range plan (1979-82), to function as a bridge between the long range plan, Target: A.D. 2000, and the annual operating plan.

The 1980 Annie Armstrong Easter Offering for Home Missions surpassed its goal for the first time in four years. The offering reached $15,562,470.80 by August 11. The additional funds insure missionary salary increases and the appointment of new missionaries. The Board receivd $49,644 in the challenge section of the Southern Baptist Convention budget and $12,500,000 in the Cooperative Program operating budget for 1979.

The 1980's have been called by some experts, "The Decade of the Volunteer." Staffers and leaders at the Home Mission Board are working to use the unlimited reservoirs of expertise represented by dedicated lay persons who are ready and willing to serve. On December 31, 1979, there were 233 Mission Service Corps volunteers serving under appointment. The goal is to have 2,500 Mission Service Corps workers assigned within the next few years. Also, short-term volunteers numbering 33,382 supported mission endeavors through Special Mission Ministries during 1979.

At the end of 1979, the Home Mission Board had 1,922 persons in the home mission force, and 103 persons were serving on the elected staff at the

Board offices in Atlanta.

Some other highlights of the year were:

The Specialized Evangelism Department gave leadership for 26 Growing and Evangelistic Church seminars and enlisted and trained 10,000 evangelism volunteers.

Denominational endorsement was granted to 311 chaplains, for a new total of 837 full-time and 561 part-time chaplains.

Counsel was given on church finance to some 1,600 churches.

Assistance was provided to ten state conventions for continuing education for directors of missions.

Continued emphasis was given to needs of the 9,400 bi-vocational pastors through 26 conferences.

The Christian Social Ministries program provided $81,800 to eleven state conventions for disaster relief.

A total of 1,003 church-type missions were started, and 395 new churches constituted. The number of counties without a Southern Baptist church or mission was reduced by 58.

The Language Missions program assisted with the support of 1,054 persons serving among 77 ethnic groups.

William G. Tanner, Executive Director-Treasurer of our Home Mission Board says: "Excitement and opportunity challenge Southern Baptists in national missions. There has never been a more critical time in this century in the life of our nation than today. The spiritual needs of our land are evident, and in Jesus Christ we have the answer."

Respectfully submitted,
Mrs. Leonard Rollins

STATE MISSIONS REPORT

North Carolina is a mission field. Recognizing this challenge the Baptist State Convention works through the Division of Missions to meet the needs in the state, once called "direct missions" or "state missions." "The primary work of the Division of Missions is to minister and witness to persons in North Carolina who are not being reached by existing churches, to coordinate the cooperative work with General (black) Baptists and Southern Baptists of North Carolina, and to promote missions in the state, the United States, and overseas." (p. 73 - **North Carolina Baptists Working Together** by Susan Ray/Frances Riley)

This work is done through eight areas of work - Associational Development, Brotherhood, Chaplaincy and Language, Cooperative Ministries with General Baptists and Seminary Extension, Church Extension, Special Ministries, and Fruitland Bible Institute.

Some of the specific ministries are:

1. Working with churches and associations to reach 15,000 to 20,000 agricultural migrants who work in the state each year.

2. Supporting 10 area resort ministries involving 30 summer student workers and over $12,000 in funds.

3. Providing both monetary and manpower assistance to churches in crisis situations.

4. Ministering to 7 language groups in North Carolina:
   Indians - includng the Lumbee and Waccamaw tribes in the east and the Cherokee in the west.
   Spanish - largest language group in the state.
   Chinese - in the Research Triangle area, most of whom are students.
   Koreans - in area of Fayetteville.
   Vietnamese - 700 refugees settled in Fayetteville area.
   Japanese - well-established work in Jacksonville and Fayetteville area.
   Arabs - second fastest-growing group of internationals in the state.

5. Supplying non-reading (blind) with Biblical Recorder on cassette tapes each week.

6. Conducting annual Happiness Retreat, which provides a Christian camping experience for the mentally retarded.

7. Conducting a summer youth retreat for students from the state schools for the deaf.

8. Providing training for adults called to church-related vocations who cannot enter a full college and seminary degree program - Fruitland Baptist Bible Institute.

Funds for this mission work are received from the Cooperative Program and the North Carolina Mission Offering. For some ministries additional funds come from the Home Mission Board. All of these ministries need our support in effort, prayer, and money.

Respectfully submitted,
Mrs. Gilmer Cross
